## FIREPROOF WALL BOARD

*for your Club House or other buildings.*

You will never regret your decision to build with Gyproc. For this is the FIREPROOF WALL BOARD—the BETTER Wall Board—that makes Solid, Permanent Walls and Ceilings at very low cost.

GYPROC never warps, buckles or shrinks. It never catches fire or transmits fire. It never pulls away from the supports or yawns at the joints, but stays accurate, solid and true as long as the building stands.

To all its surpassing advantages, Gyproc adds the crowning advantage of low first cost, low construction cost and lowest ultimate cost.

Use Gyproc and make your buildings

Too Great a  
Grind for  
Lady  
Players

It really seems too bad that some scheme cannot be devised whereby the women golfers of Canada can't be spared a grueling two weeks of golf right on end. In no other country are either men or women called upon to play two weeks of continuous championship golf. It is altogether too great a strain for even the most seasoned professional golfer, let alone women players. There is no question that the Semi-Finalists and Finalists at the Close Championship at Mississauga were showing signs of twelve days' continuous golf. The very capable Canadian Ladies' Golf Union officials should seriously consider a solution the coming year of this knotty question of holding the Close Championship right on the heels of the Open. Distances in Canada are admittedly great, but women's golf should not be sacrificed as a result of this "distance bug-a-boo."

"Left-Handed  
Golfers"  
Come Into  
Their Own  
in Calgary

There was recently staged in Calgary a "left-handed" Tournament, the first of its kind ever recorded in Canada, although in the States several such events have been run off. It was a great success, no fewer than 45 players participating. There is no reason why this Calgary idea should not be followed in other important golfing centres throughout Canada. Although it is a fact that no really great golfer, either Amateur or Professional, has ever been evolved from the ranks of the "Southpaws," nevertheless some very out-

standing players are left-handed. A notable instance is Mr. F. R. Martin, of Hamilton, twice ex-Amateur Champion of Canada, who only last month for the ninth time won the Championship of the Hamilton Golf and Country Club. Another great left-hander is Mr. Bruce Pearce, a former Amateur Champion of Australia and Tasmania, who in 1911 in the British Amateur gained fame by eliminating the celebrated "Chick" Evans in the fifth round. The only outstanding left-handed professional was the late D. B. Watt, who won the Scottish Professional Championship in 1914.

Next season leading cities should follow the example of Calgary and stage "left-handed" Tournaments. They would arouse much interest and accomplish much golfing good. In cricket and baseball "left-handers" are among the leading exponents of these games. Is there any good reason why they should not occupy just as prominent a position in golf?

*(The Editor is always glad to answer questions about the Rules, and other golfing matters, but owing to so many of these requests coming in every month, he must ask in future that stamped-addressed envelope be enclosed with all such communications, otherwise they will not be answered).*

Country clubs, which have become a permanent and important feature of life in the States and Canada, are gaining in popularity in Great Britain. The latest addition to the list is nearing completion at Wentworth, Virginia Water, Surrey, where three golf courses—the first of which, measuring over 6,000 yards, will be ready on October 18—hard and grass tennis courts, and bowling

and croquet greens are being constructed. George Duncan, for many years attached to the Hanger Hill Club, has been appointed professional, and he, with his old assistant, J. Aitken, took up duties there on September 20. The Secretary is Major J. H. Hind, a popular sportsman, who is better known in India, where he acted as Hon. Secretary to the Meerut Polo Club and captained the polo team of the 13th Hussars. Major Hind is a keen golfer, and for the past two seasons he has played cricket for the Worcestershire Gentlemen. The Virginia Water courses were designed by Mr. H. S. Colt, who has to his credit in Canada the Toronto and Hamilton links.

Mr. Ernest Holderness, the present holder of the British Amateur Golf Championship, has become a baronet through the death of his father, Sir Thomas Holderness, a former Under-Secretary of the India Office. This is the first time that the championship has been held by a titled golfer. Sir Thomas, who was 75 years of age, like his son, was an enthusiastic golfer. The end came very suddenly, he collapsing on the famous Walton Heath Links, on his way to the club house, after a round of the course.

The courses for the three U. S. National Golf Championships have just been announced by the U. S. G. A. The Men's Amateur will be at the Oakmont Country Club, Oakmont, Pa.; the Open at the Worcester Country Club, Worcester, Mass., and the Women's at the St. Louis Country Club. The dates will be selected later. Plans for sending a Walker Cup team to Great Britain next year have been discussed by U. S. G. A. committees, and a decision has been reached, but announcement of it is withheld.

In the bag which Luke Ross, of Cleveland, who has caddied for Bobby Jones in eight championships, carries around the links for the young Atlanta star are two clubs which Bobby brought to Merion with him eight years ago, when he played in his first title event. One is an old mid-iron, the other a club now known as a No. 4 iron, but which was formerly known as a pitching iron. They are clubs which Bobby uses constantly and clubs he probably will retain as long as they have any utility left in them.

The St. Thomas Golf Club, which has one of the finest 9-hole courses in Ontario, by next season hopes to have its full 18-hole course in play. This autumn arrangements are being made to build five extra greens. The St. Thomas Club is fortunate in possessing a property which will permit of a regular championship 18-hole course. The plans for this were got out when the 9-hole links were constructed. The 10th tee will start at the club house and the 18th green will also finish there, making an ideal "double loop."

Mrs. Hutchings' notable victory in the Ladies' Close Championship at Mississauga will prove a great filip to golf in the West. Next year the ladies hold both their Open and Close Championships at Ottawa. In 1926 they should seriously consider staging both events in Winnipeg. The West has a large number of fine women players who are deserving of greater recognition. The R. C. G. A. and the C. L. G. U. would be well advised to stage the two major ladies' events in Winnipeg the year after next. Here's hoping they will.

Mr. R. Stanley Weir, K.C., ex-Recorder of Montreal, one of the best known writers on golf in America, was recently made an honorary member of the Kanawaki Golf Club, Montreal—an honour deserved in every respect. Golfing friends

throughout the Continent will be exceedingly glad to hear that Judge Weir is rapidly recovering from the illness which a year or so ago attacked him, and he expects next season to again be able to play golf—the game he loves so well and the game about which he discourses so delightfully.

Scotland, the home of golf, still honours its golfing champions. R. W. Peattie, the winner of the British Boys' Championship last month at Coombe Hill, was, says "Golf Illustrated," accorded an enthusiastic reception on his arrival at his native Cupar, Fifeshire. He was met by the Provost and magistrates, as well as the officials of the golf club, and from the train he was carried shoulder high to a waiting cab, which was drawn through the town by men who previously had removed the horses. Factory work was suspended, and a big concourse of townspeople assembled at the local Cross to cheer the new champion.

\* \* \*

The Editor is always particularly glad to record interest in golf among the juniors who are the future golfing hope of Canada. The following despatch from St. Thomas shows that in the Railway City the game amongst the youngsters is becoming increasingly popular:

"Golfing among the younger element at the St. Thomas Golf and Country Club, Union, has been very popular this year, and large numbers of youths have turned in some very close scores. In the driving competitions James Still won first prize with a total of 538 yards for his three longest drives. He also had the longest drive in or out of bounds. Don Anderson was second in the driving contest, while Harry Medcalfe won the approaching and putting contest."

A correspondent in "Colliers' Weekly" thus discourses right truly and well:

"I am gradually becoming opposed to American training methods. Not that the discipline of giving up tobacco, late hours, and other dissipations isn't good for both body and mind, but much of our training results in turning out our men simply so they may be ready at a given moment to break a world's record. What happens after that is unimportant. I have just come back from England and on English golf courses I was impressed by the fine appearance of the elderly Englishmen I saw there. Their color was good and there was vigor written all over them. I saw practically none of the worn, nervous type so common here. The Englishman takes his sport more calmly than we do. He plays chiefly for love of the game, and although he hasn't as many world's records to boast of as we have, I think he gets a more lasting benefit from sport than our highly geared competitors."

Mr. H. F. Gardner, the former well known British Columbia golfer, now residing in San Francisco, writes:

"I had the pleasure recently of playing over the Olympic Club's new "Ocean" course at San Francisco, and I do not remember ever having enjoyed a round more over a strange course. If one has any ideas of the difficulties that beset a club constructing a course even on very ordinary ground, the accomplishment of the Olympic Club management will be all the greater appreciated. They have constructed a course with tremendous possibilities on ground which to the uninitiated would seem impossible. They tore the sides out of hills to make fairways, and not only did they haul soil to every fairway, but actually turfed them all. The greens have all been planted with German Bent and even only a year old are in magnificent shape. Putting on greens composed entirely of this grass is something new to me, and one has difficulty in getting used to it. The course was laid out and constructed under the direction of the club professional, Whiting, and if he does not do anything else in the world of golf he has already made a contribution which will be a lasting monument to himself. It is a long course and owing to the winds which at times blow over it, it is made to seem even longer. It calls for several long second shots and brings out brassie play, which unfortunately, since the rubber cored ball came into existence, has been a dying shot. Visitors to California should not miss an opportunity of playing over this course."

Macdonald Smith, the Scottish-American who, paired with Hagen, was defeated in the 300 guinea match with Duncan and Mitchell, had his revenge on Duncan, whom he defeated in a 72 hole match recently at Gleneagles for 100 guineas and a special cup. Duncan outplayed Smith up to the greens, but fell woefully down in his putting. Both the British amateurs and professionals,

generally speaking, are inferior both to the U. S. and Canadian players on the greens. That is where they are losing championships and matches every season. Until they improve in their putting, they will never regain their golfing supremacy. It seems odd, very odd, that the Old Country experts do not recognize this fact and devote more time and study to perfecting their putting game. The Americans especially are past masters on the greens—amateurs, professionals and women players alike, as the latter demonstrated only last month in Hamilton. It is an indisputable fact that it is the putt that decides to-day all major and minor events. The Americans have recognized this fact now for some years and are reaping the reward.

## OUTSTANDING FIGURES ARE JONES AND HAGEN

THE curtain has rung down on the golfing season of 1924 and as a result, champions without number have been tumbled from their thrones. Not a single champion has "repeated" in Canada, or neither in the United States, with the solitary exception of Miss Glenna Collett, who retained the Lady Open Championship of Canada. The outstanding golfing figure of the year is unquestionably Walter Hagen and possibly "Bobbie" Jones. Hagen by winning the British Open Championship and the U. S. Professional Golf Championship has demonstrated indubitably that he is the world's greatest medal player and also match player. He is the champion in both classes. "Bobbie" Jones came nearly again annexing the U. S. Open and romped away with the Amateur. Out of the picture fades Gene Sarazen. The season of 1924 was a disastrous one for him. About the best he could do was to finish second in the Canadian Open. It would seem that the much advertised Gene has in the meantime shot his golfing bolt. Success has spoiled this former caddie. Perhaps out of adversity he may come back. His friends in the past have been his worst enemies. It would be as well in 1925 to allow him to plough his own lonely furrow—sans admiration, sans adulation. That might be the making of him again.

## ANNUAL MEETING OF C. L. G. U.

Mrs. Leonard Murray Re-elected President—Annual Report of the Secretary  
of a Most Encouraging Character—Mrs. Rodger, Acting President  
During the Summer, Given a Well Deserved Presentation—  
Ottawa is Voted Open and Close Championship  
in 1925

EXCELLENT reports, which showed that the organization is in a very flourishing condition were presented at the annual meeting of the Canadian Ladies' Golf Union, held at the Mississauga Club during the Close Championship week, and attended by a large number of the members of the clubs affiliated with the Association. Miss Inez Allan, the Secretary-Treasurer, presented a very pleasing financial report, and in her report referred to the various tournaments that have been held during the past year. She drew attention to the fact that the Close Championship last year at the Royal Montreal Golf Club attracted 111 entries, the Ontario Championship in June at the Lookout Point Club found 66 entries, while the Toronto City Championship at Summit, late in June, had 104 competitors.

The Secretary also drew the attention of the meeting to the fact that the Open Championship, which proved such a success at Hamilton, was the first Open Championship conducted solely by the C. L. G. U., the R. C. G. A. having

given the necessary permission last winter. Ten clubs have affiliated during the last year, one from Nova Scotia, two from Quebec, five from Ontario and two from Alberta, the last two being the first from that province. The reports from the various provincial branches were also presented and showed steady progress.

It was decided to hold the Ladies' Open Championship next year on the course of the Royal Ottawa Club, while the Close Championship will be held the following week at the Rivermead Club, of Ottawa. This decision gives Ottawa three weeks of championship golf next season, as the R. C. G. A. has already accepted an invitation to hold the Amateur tournament in that city, subject to confirmation at the annual meeting of the Association.

There was some discussion on the method of conducting the 'Mail and Empire' ladies' inter-club city team championship, a number being in favour of taking the players' handicaps into consideration in the individual matches, and the matter was left to the Executive, to obtain a good idea of the feeling of the clubs in this respect.

The election of officers resulted as follows: Patroness, Her Excellency, Lady Byng, of Vimy; President, Mrs. Leonard Murray, Toronto; Vice-Presidents, Mrs. H. Beverly Robinson, Montreal; Mrs. S. C. Sweeny, Vancouver; -Mrs. R. A. Graham, Winnipeg; Mrs. G. McGregor Mitchell, Halifax, and Mrs. A. F. Rodger, Toronto. Executive Committee, Mrs. A. N. Mitchell, Toronto; Mrs. F. C. Biggar, Toronto; Mrs. W. E. Gallie, Toronto; Mrs. R. Murdoch, Toronto; Miss Constance

Bird, Toronto; Mrs. Norman Young, Toronto; Mrs. W. Hastings Webbing, Brantford; Mrs. J. L. Counsell, Hamilton; Mrs. E. E. Henderson, Hamilton, and Mrs. James McGrail, Welland; Pars Committee, ex-officio members of Executive, Miss Effie Nesbitt, Hamilton; Mrs. Hope Gibson, Hamilton; Mrs. M. K. Rowe, Toronto, and Miss Ada Mackenzie, Toronto; Secretary-Treasurer, Miss Inez Allan, 30 Charles Street East, Toronto.

A vote of thanks to Mrs. A. F. Rodger for presenting a trophy for the City Championship was unanimously carried, and Mrs. Murray, on behalf of the Executive and friends in Ontario, presented Mrs. Rodger with a fitted travelling bag as an expression of the appreciation of her efforts in the C. L. G. U. cause, particularly during the absence of the President in the Old Country this Summer. Mrs. Rodger was completely surprised, and in replying attempted to minimize her work, but with no success. Mrs. Murray was presented with a large bouquet of roses by the Manitoba Branch.

The meeting was the largest attended and easily the most successful in the history of the Association.

## THE QUESTION OF LONG COURSES

The Editor of the "Canadian Golfer."

Sir:

As one of the old originals of the Seniors Association (the younger generation might call us the "Old Contemptibles," a flattering simile of which I for one would be proud), I would like to say a few words in your excellent publication with reference to Mr. Barr's letter mentioned in your September issue, and to your remarks thereon that 95 per cent. of members of a club don't want a very long course, trapped and bunkered up to the eyebrows. I agree with every word you have said, and to go go farther into this question that many of us have often discussed, and that you have now brought into the limelight. I have roughly ascertained that in Montreal and suburbs there are some 13 recognized golf clubs, with a membership of about 6,800 men, exclusive of ladies and juniors. Of these 6,800 men, how many are there who can be sure of beating 80 on their respective courses? A liberal estimate brings to my mind there are about 33 players, or the proportion of one crack player to 206 players who go round in from 85 to 100 strokes and over.

A case illustrative of my argument cropped up in the very delightful tournament the Seniors have recently held at the Toronto Golf Club. The course naturally is not an easy one for the moderate player, even if it had not been trapped and bunkered very freely. Previous to our going to Toronto, many of us Seniors had gone around our own club courses and the courses of our friends' clubs in say 90 to 100 regularly, but when we came to play over Toronto (I might say the same thing of any Championship course), we were, sad to say, anything from 15 to 20 strokes more than our average play. In the last eight years there has been a tendency to lengthen and make more difficult a large proportion of the Canadian Golf Courses, which has caused anguish in the minds of the great majority whose ages may be 19 or 69. Much as we admire and esteem old "George" or "Happy Fraser" and other crack players, we all realize that their class is no class for us (even though we once have had hopes). Not long ago, a friend of mine, looking rather miserable at a pink tea-party was asked by me if he played golf. His answer was short and to the point; he said, "with pain." Now we of the 100 class don't want to play this splendid game as my friend evidently did. We want to get all the enjoyment and good fellowship out of it that we can when we are nearing the allotted span of life, and I am glad the Seniors are going to play at St. Andrews in 1925. May we all be there to shake hands once again is the cordial wish of,

Yours sincerely,

Montreal, Sept. 28th.

L. C. LAWFORD.

## SENIOR TOURNAMENT DATES FOR 1925

THE dates for the 1925 Tournament of The Canadian Seniors' Golf Association at St. Andrews, N. B., have been announced. They are: September 10th, 11th and 12th. On the 13th an excursion will be held; on the 14th the International Match with the U. S. Seniors will be played and on the 15th the Individual Senior Championship of America.

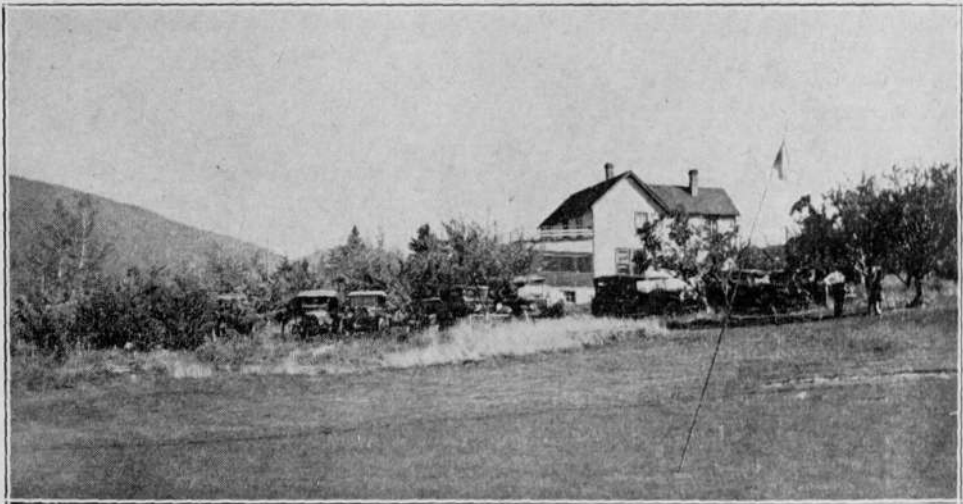

## GOLF IN NELSON, B. C.

Interesting Labor Day Tournament Results in Mrs. James Kennedy Winning the Ladies', and Mr. T. R. Wilson the Men's Open Competitions

(Special Correspondence, "Canadian Golfer")

OF the newer Canadian golf clubs, none, perhaps, have made more substantial progress in the past two or three years than the Nelson Golf and Country Club, situated on the mountainside about two miles from the thriving Queen City of the Kootenays, and the sporting nine hole course can hardly be equalled anywhere for beauty of situation and picturesque surroundings.

One may "dub" his drive, make a "rotten" approach or miss a six inch putt, but the view from number three tee up the west arm of Kootenay Lake

to Kokanee Glacier, towering over ten thousand feet above sea level and clothed with eternal snow even in mid-summer makes one forget his golf troubles and feel that it is good to be alive.

The principal event of the year is the Labor Day Tournament, and as usual the open events which included entries from Trail, Rossland, Balfour, Bonnington, Willow Point, Grand Forks, Nelson and other points in the district were most keenly contested.

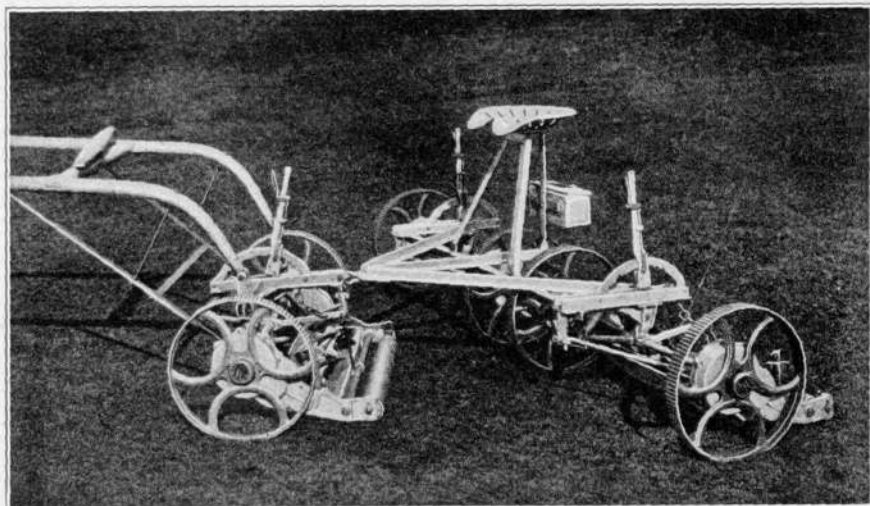

The Ladies' Open Competition for the "Gosnell" Cup was won by Mrs. James Kennedy, of Balfour, with Mrs. B. Townshend, of Willow Point, as runner-up, and the Men's Open for the "Leith" Cup was won by Mr. T. R. Wilson, Nelson, with Mr. A. E. Allison, also of Nelson, as runner-up.

The Nelson Club is in its sixth year and many difficulties had to be overcome in converting a partly cleared ranch and tree clad hill sides into a golf course.

While the aim of each year's directorate has been to make a good fairway, no artificial bunkers have been constructed, as there were enough natural hazards to make the course a difficult one and the original beauty of the location has been improved rather than destroyed.

The old ranch dwelling has been remodeled into a comfortable club house with locker rooms, a dining room where lunches and teas are served to members

and their friends, and a spacious verandah from which a most wonderful view is obtained of Kootenay Lake and towering mountains on all sides.

There are also three splendid tennis courts adjacent to the club house where on Labor Day for several years the finals of the Kootenay District Lawn Tennis Association have been played.

The principal improvements this year have been the lengthening of several holes, making three new grass greens to replace sand ones and piping water to greens not already provided with sprinkling facilities, though the natural rainfall and seepage from the mountain sides usually keep the links from drying up during the summer months.

The membership is about one hundred and fifty, the annual fees reasonable and all connected with the Club look forward to continued progress.

Though Nelson has been, for years a popular stopping off place for east-bound or westbound tourists the lure of the golf course has tempted many a traveller to prolong his stay for a day or two and consequently the Nelson Club is becoming better known and includes among its members ardent golfers from Montreal in the east to Vancouver and Victoria on the Pacific Coast and also quite a number of members from Minneapolis, Spokane and other American cities.

Many tournaments, in addition to the Labor Day event, are held during the season, and competition this year has been very keen for the various Club prizes,

particularly the Captain's Cup, Noxon Trophy, Smyth Shield, Leith, Gosnell, Appleyard-Lowe Cups and Director's Rose Bowl. A field day with driving, approaching and putting competitions is also an annual affair.

The present officers are: President, Alexander Leith; Vice-President, A. D. McLeod; Secretary-Treasurer, C. D. Blackwood, and T. R. Wilson, Captain.

## OUR "HOLE-IN-ONE-CLUB"

Two Ladies Join the Elect—Granby Golfer for the Second Time Registers a "One-shot"—Total Now Well Over the One Hundred Mark

OUR prediction the beginning of the season that there would be a hundred "Hole-in-One" performances recorded before the end of October in Canada was certainly a conservative one. Already the century mark has been passed by a good margin. And "still they come." Herewith another batch of "culprits":

First and foremost let us tell you of the ladies—God bless 'em—they are always so welcome to our "Hole-in-One" Club. Playing in the Canadian Close Championship last month at Mississauga, Toronto, Mrs. Wm. Dobell, of Quebec for the very first time in the history of a Ladies' Championship in Canada turned the trick at the 125 yard eighth hole. She was playing in the Third Flight at the time with Mrs. H. C. Fletcher, of Mississauga. Mrs. Dobell is a very prominent member of the Golf Club in the Ancient Capital, which by the way, is the second oldest golfing organization on the continent.

It is a long, long way from Toronto to Edmonton, but the very same week in which Mrs. Dobell was performing her notable stunt, Mrs. James Gallagher, of the Edmonton Golf and Country Club, also decided to gain golfing fame—she did the 18th hole there in one. So two fair ladies, one in the East, and one in the West, "and never the twain shall meet," except in golf, almost on the same day accomplished the well nigh impossible. Hearty congratulations from the Editor to both of them.

Mr. O. E. Heard, Secretary-Treasurer of Truro, N. S., writes:

"Nearly everyone has heard of 'Maritime Rights.' (We certainly have.—Ed.) Mr. F. L. Snook, of this club, claims the 'Maritime Right' to the 'Hole-in-One Club. Mr. Snook, while playing with Messrs. H. B. McLaughlin and C. P. Blanchard, of this club, succeeded in finding the cup on our Crow's Nest hole, distance 97 yards, with his initial shot, a full mashie. The Crow's Nest is the seventh hole on this course. Mr. Snook has been a regular subscriber to your magazine for some time. May all the little frills that go with membership in the 'Hole-in-One Club,' be forwarded to Mr. Snook."

Always glad to welcome a valued subscriber to our club, even if it does cost us \$4 of the best.

From that very important Ontario golfing organization, the Essex Golf and Country Club, of Windsor, comes reports of two "oneers." On Labour Day Mr. W. G. Wells, a very prominent member, made the 200 yard 8th hole in one and then on October 5th Mr. "Tom" Kirkham, the popular Secretary of the Club, and an exceedingly good player, at last realized his greatest ambition by holing out from the tee at the 15th, 225 yards. And then just to show that that wasn't a fluke he notched a 2 at the 16th. Two holes in 3 strokes savours of the uncanny. It does not, however, create a record, as a similar performance was reported to the "Canadian Golfer" once before.

On the 5th of October, whilst playing with Messrs. Geo. W. Lang, Jr., P. J. Merrick and A. C. Stewart, Mr. George W. Stewart, of the Grand River Country Club, Kitchener, Ont., made the tricky 5th hole in one—one mean accomplishment.

Mr. E. L. Gnaedinger, of the Kanawaki Golf Club, is a particularly well known golfer, not only in Montreal, but in Canadian Seniors' Golf circles. Playing recently for Kanawaki against the French-Canadian Club, Laval-sur-le-Lac, he negotiated the 3rd hole at Kanawaki in one. This is not the first time he has found the "tin from the tee" at this hole this season, but on the previous occasion he was not playing a full round. Mr. Gnaedinger is one of the charter subscribers to this "great family golfing magazine," so he won't have to contribute to the exchequer this year. Mr. Gnaedinger by the same token, is hav-

THIS CARD MEASURES SIX INCHES ACROSS

There is exactly where Burke comes in. Burke with its corps of player-designers of clubs, its wonderful plant—the largest and most modern of its kind in the world, its exclusive right to reproduce models of such leaders as Hagen, Sarazen, Hutchison and Vardon and its reputation for superior hickory shafting.

Wherever golfers assemble the Burke Grand Prize line of wood clubs and irons is known for its aid to golfers who wish to break 100. The master models reproduced in non-rusting Monel Metal are also aids in score-reducing.

The new line of Burke Autograph Woods—pictured at right—runs a close second to the universally known Burke Golfrite models in their ability to lengthen and straighten shots.

Select Burke Clubs—then whether you break 100 or not is solely up to you.

ing all kinds of a successful golfing year in 1924, as he recently won the President's prize at Kanawaki and lowered his course record with a snappy 77.

The eleventh hole at Mississauga, Toronto, is 145 yards, but there is a tricky pitch across the river to the green. Mr. F. J. Hughes, playing with Dr. J. J. Healy, put a perfect one over and the ball trickled into the cup, to his infinite delight and congratulations from his opponent.

Winnipeg, as the golfiest city in Canada, can generally be depended upon every month to get into the spotlight. Mr. H. C. Wolfe, of the Alcrest Club, is the latest "Hole-in-One" performer from that city. He was playing with Mr. R. Peebles when he made the 153 yard 8th at Alcrest from the tee.

Again our dear contemporary, Shaughnessy, of Vancouver. Poor old month when Shaughnessy doesn't appear in the picture, but anyway she's always welcome. Mr. F. B. Begg chose the 10th hole, 120 yards, 'tother day, to register the 20,000 to 1 shot.

"Gibraltar," the 6th at Beaconsfield, is one of the famous golfing short holes of Montreal. Playing in the Manitoba Cup competition with Messrs J. J. Brunet, Hugh Vallance and J. Ward, Dr. D. W. Oliver, Manager of the Drummond and St. Catherine St. Branch of the Bank of Montreal, put a perfectly hit tee shot on the green and the ball gracefully rolled into the hole. The "Gib" at Beaconsfield is 185 yards and ordinarily is a corking good par 3.

From "down by the sounding sea" comes an interesting report of a one-shot performance. Mr. W. C. Smith, manager of the C. B. Electric Co., Sydney, N. S., was playing for the Lingan Golf Club, Sydney, in a match over the Brightwood Club, Dartmouth, N. S., in which his opponent was Mr. C. W. Bowlings, Chairman of the House Committee of the Brightwood Club. He put a

beauty over at the 150-yard up-hill second and the ball nestled into the cup. "What more could man desire?"

Mr. S. Larkin, of Toronto, was a visitor last month to Midland, which possesses a particularly interesting course and a particularly enthusiastic lot of golfers. Number two at Midland is a very testing one-shot hole of 150 yards, but Mr. Larkin negotiated it for the first time in one and came in for all sorts of well deserved congratulations.

Mr. W. Duncan put the Country Club, of Montreal, on the golfing map when he recently made the 15th hole on that well known course in one.

Thornhill Golf and Country Club, Toronto, is once again in the limelight. Mr. W. Howard bagged a "oneer" here on the 165 yard 5th—a particularly well placed hole.

For the first time the beautiful Burlington Golf and Country Club is heard from. Playing with Messrs. R. W. McCulloch, J. R. Burton and B. C. Ball, Mr. E. P. Kelly, of Hamilton, negotiated a one there at the 16th hole—130 yards.

At Stenen, Sask., is the Crystal Lake Golf Club, situated about five miles south and west of the town on the picturesque Crystal Lake. The Club has been in existence for some four years, but never a "Hole-in-One" has ever been recorded until last month, when Mr. H. N. Stenen accomplished the feat on the 112 yard 6th. Very interesting, certainly.

Once again our old friend, the "Punch Bowl" at the Vancouver Golf and Country Club, Burquitlam, B. C. Mr. H. P. Wilson, playing with Mrs. A. Wilson, "cupped" it again from the tee on September 29th. That "Punch Bowl" must hold the world's record. It has cost us well nigh a score of subscriptions the past few years—but after all, the more the merrier.

Mr. G. D. Lamont, while playing over the Bayview Golf and Country Club course, Toronto, on October 4th, found the tin from the tee on the 5th hole—a tidy little swat of 200 yards.

And then the most interesting item of the whole season. Mr. P. G. Jack, Secretary of the Granby Golf Club, Que., writes:

"Enclosed a card signed by Messrs. R. C. Dozois, W. O. Lewis (Club Captain), Geo. Black, pro, and Fred McLean. On the second round of our course Mr. Dozois made No. one hole in one. This is the second time this year that Mr. Dozois has done the trick. At the end of June he was fortunate in making No. 5 in a single stroke. We thought this information might be of value to you. No. one hole is 165 yards, and calls for a clean shot, as there are two ditches between the green and tee; the green is trapped and five feet behind the green and on the left runs the boundary fence."

A most remarkable performance. It has, however, three times before been duplicated in Canada, in Winnipeg, Vancouver and Toronto.

Total Holes-in-One to date (October 10th), 125.

## VITAL QUESTION OF NEW BALL

United States Golf Association Throws Out the Hint that in January, 1926, it will be Larger and Lighter

THE United States Golf Association recently issued a statement expressing the opinion that a ball not less than 1.68 inches in diameter nor more than 1.55 ounces in weight will prove a satisfactory standard for all players, this new ball to be adopted in all championships and tournaments after January 1st, 1926. This pronouncement, of course, sets at rest all rumours that 1925 would see the standardization of a new ball. Next season the present ball, 1.62 in diameter and 1.62 in weight, will again be recognized in all competitions.

Word has not yet come from the British governing body of golf what action it proposes to take, but as the Royal and Ancient authorities have of recent years been working more or less "hand-in-glove" with the U. S. G. A., it is possibly a safe assumption that both Great Britain and the United States are at one in

this important matter of the golf ball's diameter and weight.

Many Canadian golfers are very much exercised about this increased size and decreased weight, and fear that it means the ordinary player will in the years to come be cut down in his tee and iron shots by 25 yards or more. The Editor, however, understands from one of the leading experts in golf ball manufacture that nothing of the sort will happen. Under normal conditions the average player will get the same distance with the new ball as he does now with the 1.62. The very long drivers may be penalized to some extent, but not much. Both the average and above the average golfer, however, in a cross-wind or against the wind will lose distance unless the shot is skilfully played. The expert says: "There is only the difference of a small sheet of paper or so when tested on the scales, between the proposed new ball and the present standardized ball. The weight of the 'floating ball' now being manufactured is 1.44, so it will be seen that the proposed new ball is considerably heavier and is also smaller than the 'floater,' which is 1.70. I for one believe that the experts, and especially the ordinary players, will find the new ball cut little off their distances, both with wood and iron except in the wind. Exacting trials by the testing machines prove this absolutely."

## PROFESSIONAL CHANGES WILL BE MANY

THE prospects are that there will be a number of important professional changes in Canada during the coming season, both in the East and West.

Already one has been announced from Hamilton, "Jimmy" Kinnear having resigned from Glendale, where he has been most acceptable for some years. In his place Glendale has appointed F. McGrath, of Chatham. He is a young Irish pro who had an appointment in the States but, owing to the Emigration regulations, was unable to cross the Border and perforce had to remain in Canada. He took part in the Glendale Tournament and secured third place, with a well put together 156. Glendale Directors were much impressed with his playing abilities and decided to appoint him to succeed Kinnear next season. The latter may go to the States. He recently won the Glendale Tournament and last year tied with Kern Marsh, of London, as runner-up in the Canadian Professional Championship. It is to be hoped he will be retained in Canada next season as he is a fine player and instructor.

## LADY CHAMPION COMING TO CANADA

ONE of the most interesting social items in the golfing world of Canada comes from Ottawa. It is announced that the marriage will take place shortly at Atlanta, Ga., of Miss Alexa Stirling, the former U. S. Women's Champion and Canadian Lady Champion, to Dr. Wilbur G. Fraser, of the Canadian capital. Dr. Fraser met Miss Stirling on the occasion of her visit to Ottawa during the Canadian Women's Championship competitions three years ago. He has visited at her home in Atlanta and Miss Stirling recently spent some weeks with the doctor's parents at Pembroke. The announcement of the impending marriage has occasioned quite a little flutter in social circles at the capital. Dr. Fraser, who is a graduate of McGill University, enjoys a large practice at Ottawa as an eye and ear specialist. Moreover, he has a pretty good eye for golf, as he goes round the Royal Ottawa course in the lower 80's. The prospective Mrs. Fraser will, of course, be warmly welcomed to the ranks of the lady members of the Royal Ottawa, and for that matter by the whole of Canada. Congratulations all round.

## GOLF AT BEAUTIFUL BANFF

Prince of Wales Presents Trophy—The Brothers McCowan Win Principal Events of the 1924 Season

THE Banff Golf Course "on the Roof of the World," is one of the most beautiful and interesting in the Dominion, and is visited every season by golfers from all over the world. The season just closing was the most successful in the history of this interesting club.

Mr. "Jack" McCowan, the Secretary of the Club, writes:

"Five competitions are finished to date, and we hope, before the snow flies, to add several more, as interest in golf in Banff is at a high level.

"Golf on the Roof of the World." The Brothers McCowan, Winners of the Two Important Season's Golf Competitions at Banff.

Our club has a paid up membership of thirty-eight players, many new ones taking advantage of our splendid 18-hole course now completed.

We have just been presented with a beautiful trophy from H. R. H. the Prince of Wales, and you may feel quite sure it is going to add much interest among our members when played for next Spring.

We opened our season with a Tombstone Competition, and although many 'lay buried' under the shadow of 'Rundle Mountain,' the competition will be long remembered for the great fight for first place.

Mr. Jack Dignan came out on top with his last putt, finding the bottom of the 18th cup. The Captain's Prize, a gold mounted tie pin, was won by our President, Dr. E. Kennedy. The President's Shield won outright by the Secretary, John McCowan, provided a hard struggle, as Mr. Gourlay, his opponent, is the low handicap man of the club.

All golfers were on hand when we commenced play for the Henry Birks Trophy (Banff Championship), 'Billy' McCowan, a coming golfer in Alberta, winning out from his brother Jack over 36 holes by 5 and 4.

My best wishes to 'Canadian Golfer.' "

# STRENGTH NOT EVERYTHING

"Putting is a Matter of Delicacy of Touch"—Faulty Use of Right Arm Fatal

(Miss Cecil Leitch, ex-British, Canadian and French Champion)

IT is not hard to follow the argument of the exceptionally fine putter who stated that the third and fourth fingers of each hand are not required in putting. Putting is a matter of delicacy of touch. In billiards, which calls for similar delicacy of touch, these two fingers of the right hand are seldom employed, so those golfers whose putting leaves much to be desired, would be well advised to discard the use of these fingers of both hands.

There is a tendency, when putting, to grip the club too firmly with the left hand, and the results are tragic. If the third and fourth fingers of this hand are not used, this fault cannot be committed.

It would be no bad plan if every keen golfer were to experiment with each arm, as he or she would then discover the work that each is called upon to do. Freemantle, the professional to the Cannes Golf Club, studied the game in this way and astonished many opponents by his skill as a one-armed, right-handed player. Jones, the professional to the Chislehurst Golf Club, lost his leg in the War. Before having an artificial one fixed he used to play over the undulating Chislehurst course

absolutely unsupported during the playing of each shot. The crutch with which he walked was thrown aside and he hopped up to the ball. The form he produced was a revelation.

Pressing, that terrible fault which is the cause of so many missed shots, was impossible for Jones, and his swing was smooth and effective. There is little doubt that faulty use of the right arm is the cause of most bad shots with wooden clubs.

Once the right side of the body is allowed to undertake too much of the work, anything may happen. Jones was prevented from putting "that little bit extra" into his shots, and had to depend upon perfect timing for his results. If only players would remember that it is the club head which hits the ball and not their own bodies, there would be fewer disappointing shots played.

Pivoting from the waist, correct foot and shoulder action, are necessary, but unless these movements are properly timed, good results are impossible. Watching disabled golfers is a splendid lesson to those who are sound in every limb, as they show clearly that strength is not everything at golf.

## "DON" CARRICK'S FINE GOLF

WITH a card of 69, Donald Carrick, of the Scarborough Golf and Country Club, runner-up in the Western Junior Championship of the United States, and in the Junior Championship of Ontario, led a score of students of the University of Toronto, who sought places on the University of Toronto Golf Club's team in its second annual match with McGill University, which takes place on October 24-25 on Mount Bruno course, Montreal.

In leading the field Carrick set a record, unofficial, for the course of the Rosedale Golf Club, par 72, which had not been broken. He established his mark by turning the first half in 32. He had a 6 on the third hole, an easy three-shotter, by taking four putts with a ball clotted with mud. On the first nine holes, he was over par once, had two par holes and six birdies.

His card was:

Par 4,5,4, 3,4,3, 4,5,4, 4,4,5, 3,5,4, 3,4,4=72  
3,4,6, 2,4,3, 2,4,3, 4,5,5, 3,4,4, 4,4,4=69

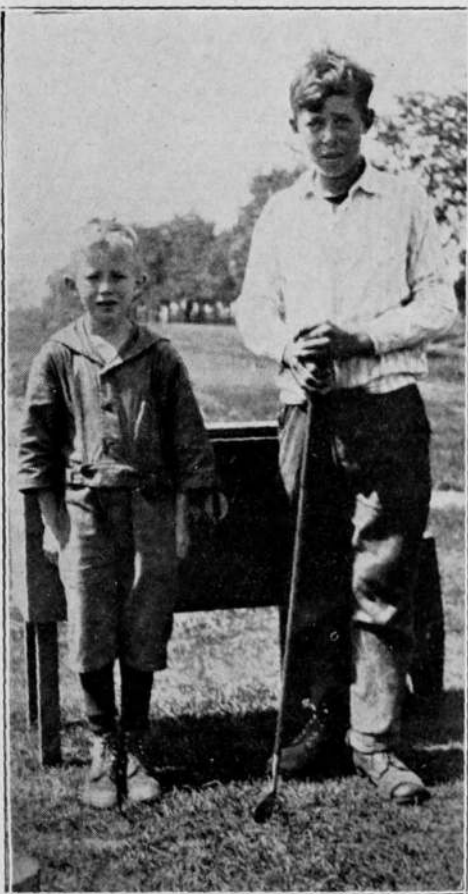

The players besides "Don" who made the team and their scores were: J. A. Sullivan, 73; John Carrick, 80; Fred. Lyon, 81; J. C. Porter, 86. Ross Somerville, who is actively engaged in playing football just now, secures a place on the team without playing in the Qualifying Round.

## THE CADDIES OF YORK DOWNS

Have a Most Successful Annual Competition—Leslie Norwood Wins "Senior" and Jack Chinnery the "Junior" Events

THE Annual Competition for the caddies of The York Downs Golf Club, Toronto, was played recently. At 8.30 a.m. Willie Freeman, the efficient pro of the club, called the contenders together on the first tee and gave them a few "fatherly" words of advice as to correct scores, expressing himself succinctly by saying: "Remember, boys, what you learned at school—to be always honest!" Sharp at the appointed time the players drove off, playing in fours, and the first four tee shots would have gladdened the heart of many an adult. Thirty-four strong and ranging in age from 8 to 16, it was decided to start the big boys on the full route of 18 holes and the wee fellows over the first nine. At 12.30 the last ball had been safely holed out and immediately after, the presentation of prizes took place on the first tee, which by the way, is elevated above the surrounding ground. Mrs. Duncan Coulson presented the prizes, of which there were thirty-four, and she carried out the arduous but agreeable task in a delightful and graceful manner. The boys gave three rousing cheers in her honour. Special prizes were donated by Mr. and Mrs. Duncan Coulson, Dr. J. O. Miller, Vice-President of the Club, also by Spaldings and the Harold B. Wilson Sporting Goods Companies and Willie Freeman, the Open Champion of Ontario, and by a subscription list the members donated funds to enable the Competition Committee to get prizes for all the boys. Leslie Norwood won the "Senior" event, completing the long and difficult round in a very creditable score of 106. Leslie gives promise of becoming a real player, and it is hoped he will follow the footsteps of so many of our leading men, who started their golf from the ground floor up—as caddies. Jack Chinnery, a youngster of nine summers and son of Mr. Chinnery, the greenskeeper of the Club, headed the "Juniors," and in playing

the first nine holes, with all its trials and terrors in 57—an average of a little over 6 a hole—crowned himself

THE JUNIOR AND SENIOR CHAMPIONS

Jack Chinnery, who Completed the first Nine Holes, 2937 yards, in 57 and won the Championship of the Junior Section, and Leslie Norwood, who won the Senior Section, Completing the full Round of 6400 in 106. Note the Jimmie Braid "Poise" of the latter.

with glory. Needless to say, Chinnery senior is very proud of his protege, who, by the way, only turns the scales at 70 pounds. Give Jackie a little time and another 100 pounds avoirdupois and "wait and see."

## GOLF AT DIGBY, N. S.

Popular Nova Scotian Summer Resort Has Just Concluded a Record Golfing Season

**T**EN years ago the Digby Golf Club, Digby, N. S., was organized and has been carried on in a very successful manner since that time. This season there has been more registered players than ever before.

There has been a number of very interesting tournaments played during the season and the winners and "runners-up" are given below:

Approaching and Putting—First prize, E. Coughlan, Montreal; second prize, Capt. A. W. Davidson, Hong Kong.

Ringer Contest—Men's prize, E. Coughlan, Montreal. Ladies' prize, Miss L. Perry, Montreal.

The Pines Hotel Cup—Winner, E. L. White, New Haven, U.S.A. Runner-up, Dr. G. S. Murray, Columbus, Georgia, U.S.A.

Harbor View Cup—Won after 54 holes were played, by Mr. White. Runner-up, Dr. Murray.

Ladies' Cup—Winner, Mrs. F. W. Nichols, Digby. Runner-up, Miss L. Perry, Montreal.

Lour Lodge Cup—Winner, E. Coughlan, Montreal. Runner-up, F. B. Witherbee, Boston.

Myrtle House Cup—Winner, Dr. C. M. Keep, Brooklyn; runner-up, R. B. Veits, Ottawa.

Approaching and Putting—First Ladies' Prize, Miss L. Perry, Montreal; Second Ladies' Prize, Mrs. A. W. Davidson, Hong Kong.

Three hundred and fifteen players registered up to September 2nd, which is a particularly fine record.

# THE ROSS AND HODGSON FAMILIES

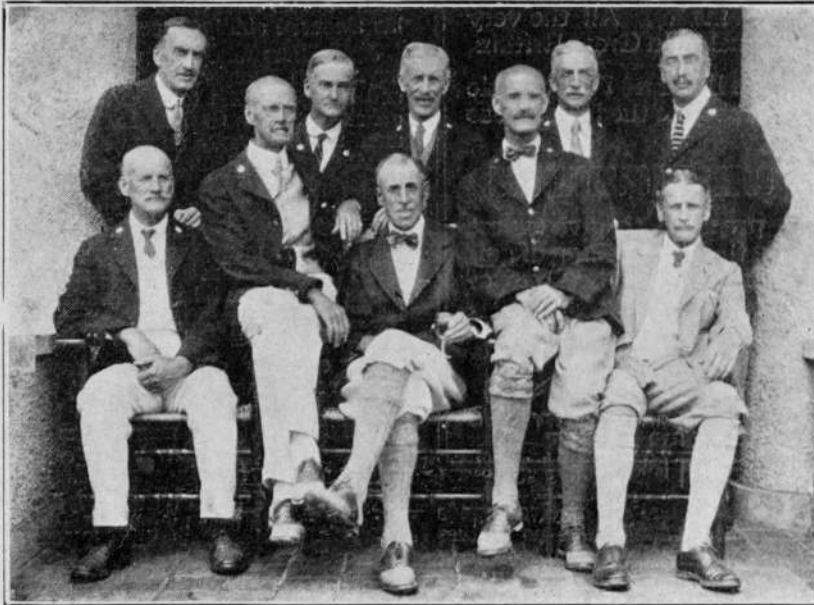

Two Quintettes of Brothers Successful in Business, Match Their Wits on Fairway and Ice in Annual Inter-Family Tournaments

(By Floyd S. Chalmers, "Financial Post," Toronto)

IT is not often that one can find a family of five successful brothers. It is more remarkable to find two such families in one city. And when the two sets of brothers average very high as sportsmen as well as business men, you have a situation that is unique.

chorus of "never again!" The next year the families went back to curling.

The games are not rough-and-tumble affairs, with cards of 115 turned in, but real golf matches that test the eye and the muscle. For the Ross' and the Hodgson's are two fine families of golfers. The Senior Cana-

THE TWO FAMILIES OF GOLFERS

Upper Row (Left to Right): W. C. Hodgson, J. C. Hodgson, T. E. Hodgson, C. J. Hodgson and A. A. Hodgson. Seated: Gen. J. G. Ross, A. F. C. Ross, P. D. Ross, J. W. Ross and W. G. Ross. This picture was taken by William C. Finley, wholesale dry goods merchant and financier.

That is the situation that makes possible the annual battles of brain and brawn between the Ross' and the Hodgson's in Montreal. Last week the five brothers Ross took the five brothers Hodgson over the Royal Montreal golf course in Montreal and trimmed them, three games to one, with one match tied. This put the Ross family in the lead. The golf games have been going on for seventeen years, the Ross' have won eight matches; the Hodgson's seven. Two years the match ended all square.

The Hodgson's are not without pleasant thoughts of victory. Winter brings curling and the Ross' and Hodgson's for years have curled against each other in one big festive sweep annually. And the Hodgson's still hold the curling lead by a match or two.

There was a hockey game one year to replace the curling, but this produced a collection of bruises, scars and stiff limbs, and a

dian championships in Toronto the other day had three of the Ross Brothers entered, all of them finishing near the top. The Hodgson's have representatives in all the big tournaments.

There is athletic history in the families for many years back. Consider W. G. Ross, for instance. As a youth, Ross cleaned up medals and ribbons and cups on the cinder track, the athletic field and on the skating rink. In his younger days he was one of the best known athletes on the continent.

Who are these Ross' and Hodgson's who have managed to get their names scattered over a dozen big directorates, and quite as freely over the sporting pages?

The Ross brothers are sons of P. S. Ross, who founded one of Canada's most successful accountancy firms, P. S. Ross and Sons. The elder Ross was a Scotchman (which may explain a lot). He came out as an immigrant,

BRANTFORD - ONT.

not penniless, for he had all of five pounds in his pocket, but certainly with no further resources than were contained in his hardy muscles and his fertile brain. When he landed in Montreal he heard of a job up in Perth that might be had. He worked his way on a canal boat up the Ottawa River and walked the rest of the way to Perth to ask for the job. He got it. A few years later he was back in Montreal and had started in the ship-chandlery business, and, in 1876, gave up that most suggestively romantic of trades to become an accountant, assignee, etc. He formed the firm of P. S. Ross and Sons, which is carried on to-day by three of the sons and their several partners.

The eldest of his sons was P. D. Ross, the only one of the ten men who does not live in Montreal. P. D. did not stick with the ink-pots, and ruled ledgers, but started out as a reporter. He was a good reporter, too, and served the Montreal "Star" as managing editor, the "Mail and Empire," in Toronto, as financial editor, and, finally, becoming the proprietor and publisher of one of the most successful daily newspapers in Canada, the Ottawa "Journal," which is the pulse of the Conservative party in Canada. All of which business success was coincident with the rapid development of a good golfing form.

P. D.'s next brother in line is General J. G. Ross, who has succeeded his father as senior

partner of P. S. Ross and Sons, and who has maintained the traditions of the firm on a high plane. He was in command of the pay-office of the Canadian army during the war, and while he was in London T. H. Wilson took his place in the line-up.

W. G. Ross is the third brother. He has been more in the public eye than any of the other boys. He started to work for his father as soon as he left school, but soon became treasurer of the Windsor Hotel in Montreal. Here he was when James Ross, Canada's traction giant and railroad king, asked him to become his organizing officer. There was no relation between the two families. James Ross chose William G. Ross for his financial ability alone.

James Ross was going around Canada then buying up decrepit street railway systems and bringing them to more modern states of efficiency. W. G. became his confidential man in this work, and, when James Ross finally had the Montreal Street Railway organized, he put in his young protege as comptroller. This was the stepping stone to higher levels of traction eminence. In time W. G. Ross became managing director of the company. He was considered a good street railway operator and had a good facility for handling unpleasant situations, such as threats of strikes and public impatience.

An evidence of his progressiveness in street railway work was the fact that he was one of the men who developed the Pay-As-You-Enter car. For many years he drew a royalty on every P. A. Y. E. car that was produced.

When the Montreal Street Railway Company was taken over by new interests in 1919, Mr. Ross dropped out.

He was not long out of the field of public service. In 1912 he became President of the Montreal Harbour Commission, and for nine years superintended the operations of that body while it was making Montreal the second harbour on the continent. He doubled the capacity of the grain elevators in the Harbour, giving Montreal the distinction of being the largest ocean elevator port in the world, and helping to establish it as the largest grain-exporting port in the world.

Now he is President of the Asbestos Corporation and, yet a young man, he is busy working out the problems of an industry that has been hit more directly by present-day conditions than almost any other industry in Canada.

The two other brothers Ross are twins, and are partners in P. S. Ross and Sons. They are A. F. C. Ross, who is the High Keeper of the Records of the Ross-Hodgson Olympics, and who does the work as efficiently as he draws up the balance sheets of Canada's leading industrial corporations. John W. Ross sits on several directorates, including such important boards as that of the Bell Telephone Company of Canada and the Sun Life Assurance Company of Canada. He has been President of the Montreal Board of Trade.

And it is our achievement that in our Kro-Flite we have established a new standard of indestructibility in a golf ball.

There is an interesting parallel between the two families. The Hodgson's too, are sons of a distinguished father, who founded a business that claims the attention of some of the sons. Jonathan Hodgson started the wholesale dry goods firm of Hodgson, Sumner and Company, many years ago. It is one of the largest firms of its kind in Canada, and one of the most prosperous. The elder Hodgson, T. E., and the fourth, W. E., are to-day partners in the company.

The third son, C. J. Hodgson, did not get started in the dry goods business. They say that when he was ready to start out in life he would not go into an inside business such

as wholesaling. But if his aim was to find open-air employment for his energies, he was doomed to be disappointed. To-day he is head of the stock brokerage firm of C. J. Hodgson and Company, one of the leading firms on the Montreal Stock Exchange.

J. C. Hodgson, second of the family, is a director of Consolidated Mining and Smelting Corporation, while A. A. Hodgson is a partner in the wholesale stationery and paper firm of MacFarlane, Sons and Hodgson.

Thus the Hodgson's are all prominent in Montreal business, as are their friendly golf enemies, the Ross'.

## FRENCH GIRL TO THE FORE

Wins British Girls' Championship at Stoke Poges—Is Only Fifteen Years of Age

**I**NTERNATIONAL relationships between Britain and France are again on an equitable basis in juvenile golf circles. It was brought about by Mlle. Thion de la Chaume of St. Cloud, Paris, beating Miss Dorothy Pearson of St. Andrews, in the eighteen-hole final of the Girls Championship of Great Britain, played at Stokes Poges. Thus compensating for the French youth's defeat in the final of the boys' championship at Coombe Hill.

In the semi-final round the French competitor eliminated Miss Wilson of Chesterfield, after a dogged battle, by two and one. In the final the going was somewhat easier and the turn was made with Miss Pearson two down. At the fourteenth Mlle. Chaume still held

this advantage which was increased on the next hole when her British opponent failed to negotiate a bunker. The sixteenth ended the match, the champion driving the green and winning the title by four and two.

There is no doubt that the vivacious French temperament can produce a lady tennis champion and now Mlle. Chaume is being hailed as "the Suzanne Lenglen of Golf."

The young champion who is fifteen and a half years of age played her first game at the age of seven and seriously took up golf at ten. The fine points of the game being taught her by that great Frenchman, Arnaud Massy.

## HAGEN WINS PRO. CHAMPIONSHIP

**W**ALTER HAGEN, of New York, added another title to his list when he defeated Jim Barnes, of New York, last month by two up in the 36-hole final for the U. S. National Championship over the championship course at French Lick.

Hagen, who has won virtually every open title in the world and now is in possession for the second time in three years of the British Open crown, had a narrow escape at the hands of the tall Englishman, who, although four down at the end of the morning round, got his putter going for a dozen holes in the afternoon and managed to cut Hagen's lead two up at the twenty-seventh hole and had him one up at the twenty-ninth.

Hagen finally became dormie two, only to drop a short putt at the thirty-fifth hole, but Barnes threw away the final hole by pushing his irons, over-approaching and failing to get down a short putt.

# A "LEFT-HANDED" TOURNAMENT

Calgary "Southpaws" Have a Most Successful Event with Forty-one Entrants

**M**R. A. T. LOWES, the Calgary Golf and Country Club 1921 Champion, played a beautiful game over the Country Club links, Calgary, turning in a card of 75, less 6, for a 69 score, which won him the James T. Dee trophy, emblematic of the Calgary left-handed golfers' championship. This tournament of the southpaws was a wonderful success, no less than 41, including Calgary's best in the left-handed class, turned out, and made their bid for the new silver cup. Dr. Johnston, president of the Country Club, with a score of 88, less 18, for a score of 70, tied with Allan McCaw, St. Andrews member, whose score was 92-22=70 for the best net.

Nothing more nor less than a lucky round would have given the honours to one of the higher handicap men. Lowes was by far the low handicap golfer in the event, which made it necessary for him to play one of the best games of his golfing career, and he never faltered for a minute. His score of 75 is just three strokes over par for the course, and the par is considered one of the hard ones. He went out in 39 and came home in 36.

Last month Mr. Lowes won the Country Club championship for the 1924 season. He was in the semi-finals of the last Alberta championship at Edmonton.

Mr. Leigh A. Walsh, of Calgary, kindly forwarded the Editor the Rules and Regulations governing this Left-handed Tournament. As other cities will no doubt next season follow the example of Calgary and institute such events, they are herewith re-produced:

1. The competition shall be open to all left-handed golfers who reside within a radius of ten miles of the city of Calgary, and who are members of a golf club in the said city.

2. On a date to be set in each year by the committee, a qualifying round, consisting of eighteen holes medal play with full handicap, shall be played, and from the results of that round thirty-two players shall be chosen to play down by match play until all but one shall have been eliminated.

3. The thirty-two players shall be chosen by the committee in the following manner:

The committee shall ascertain what proportion of the total entry list was supplied by each club and each club shall then be entitled to have qualify a like proportion of thirty-two.

To illustrate, suppose the total entry is 48, and St. Andrews Golf Club supplies twelve entries. They have supplied one-quarter of the total entry and therefore one-quarter of thirty-two or eight, of their players qualify.

4. In the event of draws or any other question regarding the arranging of the play-off series, the committee shall have power to order a play-off or make any other necessary arrangements in order to decide which thirty-two players have qualified.

5. The members whose names have been so submitted to the committee will then be drawn together and play will continue under the rules governing match play until a winner is declared.

6. One week shall be allowed for the play of each round of the said competition and the player whose name appears first in each bracket shall be responsible for the making of all arrangements for the playing of the

said game. In the event of any match in any round not being played by the date set, the player whose name appears first on the bracket shall forfeit that game to his opponent unless he can satisfy the committee that the failure to play the game by the date set was the fault of the other player, in which event the second player shall forfeit that game.

7. In the event of the finalists belonging to different clubs the final shall be decided by eighteen holes of match play on the course of each finalist, the finalist whose name appears first on the bracket having the right to choose which course shall be played over first. In the event of both finalists belonging to the same club the final shall consist of 36 holes on their home course.

8. The maximum handicap for this competition shall be 24. In the qualifying rounds each entrant is entitled to his full handicap and in the match play rounds the handicap will be three quarters of the difference between the two handicaps.

9. The cup shall remain the property of the club to which the winner belongs for one year, and shall become the absolute property of any member who wins the said cup three years in succession.

10. The committee in charge of the competition shall consist of a chairman to be appointed by James T. Dee, and one representative from each club in the city of Calgary.

11. The entrance fee for the said competition shall be 1.00 and shall be paid at the time of entry to the Secretary of the Club to which the entrant belongs.

12. The committee shall use the money collected for entrance fees for the providing of prizes, or in such other manner as will in their opinion, further the interests of left-handed golfers in general and this competition in particular.

13. Three members of the committee shall form a quorum.

14. The official rules of golf shall govern this competition and all disputes and arguments shall be referred to the committee for settlement and the decision of the committee shall be final.

## FOUR GOLF COURSES IN TWIN CITIES

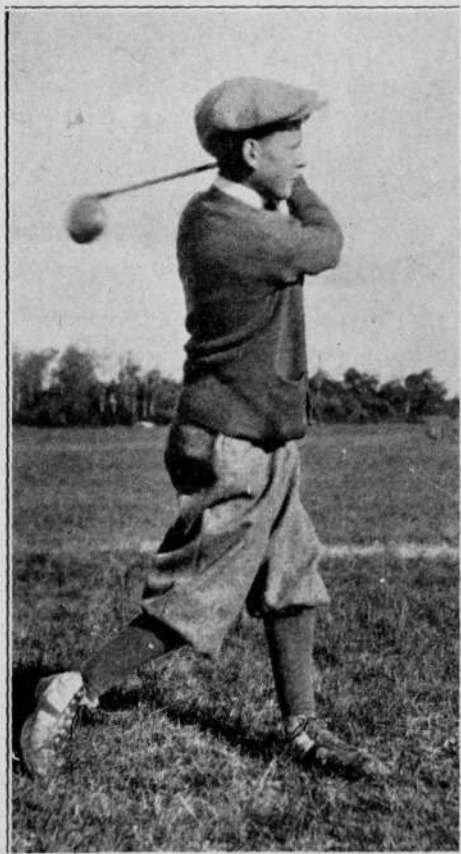

PORT ARTHUR and Fort William, at the head of the Lakes will by next season have four golf courses, namely the old established Thunder Bay Country Club, situated in Port Arthur, between the two cities; the Fort William Country Club, a new private organization which expects to have 9 holes in play next season; the Municipal Club put most successfully into operation this year, and also an 18-hole Municipal course now under construction by the Parks Board of Port Arthur. This latter course is situated in the north end of Port Arthur and has wonderful possibilities. Port Arthur and Fort William in 1925 will certainly provide most excellent facilities for playing golf—both for their citizens and the many tourists who every summer visit the Twin Cities.

Club, Winnipeg, one of the most finished players in Canada. Ronald is certainly "following in the footsteps of his Dad," as was demonstrated at the Western Canada Junior Championship at Saskatoon in August last when he was runner-up in a classy field of much older and bigger boys. He played steady, machine-like golf and has to his credit a round of 82 over a course of over 6,000 yards. Altogether he has made quite a name for himself in the west. In addition to his success at Saskatoon, he was also well up with the leaders in the

Manitoba Junior Championship, with a score of 88.

In the young Gausdens and the young Bannisters throughout the Dominion, in the years to come, will be found the Champions of Canada. Every club should encourage juveniles to play the game. In the States, they have their "Bobbie" Jones' and their Glenna Colletts because when in their teens they were given every encouragement to perfect their golf, and Canadian clubs have got to follow this example if this country is ever to produce players of really first-class championship calibre.

## BRITISHER WINS CALIFORNIA CHAMPIONSHIP

Captain Bullock-Webster Defeats Rudy Wilhelm in Finals by the Decisive Margin of 7 and 5

THE following correspondence from Del Monte, tells how a Britisher, Captain Bullock-Webster, won the California Amateur Championship. The winner spent sev-

eral months in Canada last year and competed in the Canadian Amateur at Kanawaki, Montreal, in 1923, entering from the famous English Club, Sunningdale. He was defeated at Kana-

waki in the second round by Mr. W. J. Thompson, the ultimate champion:

"Captain Audrey Bullock-Webster, of the Del Monte Golf and Country Club, won the sixteenth annual amateur championship of California here by defeating Rudolph Wilhelm, of the Waverly Country Club, 7 and 5, in the final over thirty-six holes. Both were the invited guests of the California Golf Association.

Bullock-Webster is a fine golfer of the English school, with good command of every shot in the game. He has been a resident of Del Monte for nearly a year, and his familiarity with the Pebble Beach links stood him in good stead.

But throughout his five matches he played better and more consistent golf than any other competitor and thoroughly deserved his victory from every standpoint.

Some of the critics had imagined that he was a hot-headed player, and likely to be upset by the breaks of the game in a long tournament, but he proved himself a stout sportsman in every emergency and never wilted for a moment throughout.

Webster's victory was mainly due to his almost perfect game, and he was stroking his putts with a splendid touch this afternoon. The start of the morning's round was delayed for a quarter of an hour by a severe thunder storm, which slowed up the course or, rather, made a few of the fairways soft and increased the difficulties of the putting greens.

Webster took three putts on two greens on the first nine holes of the morning's

round, but nevertheless was out in par 36. He then led Wilhelm by two holes, which he increased to four by the home hole.

After lunch Wilhelm disappointed his many friends and backers by lack of boldness in his short game. He was outdriving Webster four times out of five, and his play through the green was almost as good as the Captain's, but even when he should have been taking every chance he was short with his approaches and hardly ever up to the hole on his approach putts.

On the other hand, Webster stuck to his guns with calm nerve, and though his tactics after lunch—at all events, after the twenty-seventh hole, where he led, six up—called for safety first, he never overdid it.

There was a gallery of a thousand spectators in the afternoon and the most mannerly of golf throngs any one could wish. Dr. Paul Hunter, champion in 1920, and 1921, refereed the match and performed his duties admirably, of course. The gallery's appreciation of the good shots was discriminating—a real gallery of golfers.

It was a good championship and the golfer who won deserved the victory. He had more shots in his bag than any other competitor, save only Dr. Paul Hunter, who started lazily in his match against Johnny McHugh, last year's champion, and could never recover.

The morning's medal score was: Captain Bullock-Webster, 77; R. Wilhelm, 81. Afternoon (9 holes), Webster, 36; Wilhelm, 38. Odd four holes, Bullock-Webster, 15; Wilhelm, 15. The Britisher won on the 31st hole 7 and 5."

## BRITISH BOYS' CHAMPIONSHIP

Young Scot, Robert Peattie, Defeats Pierre Manuvrier, a French Youth, Two Years His Senior, in a Dramatic Final

(*"Golf Illustrated," London*).

NO championship in senior golf has provided a more thrilling final than that concluding in the Boys' Championship at Coombe Hill, Kingston-on-Thames, when a Scottish lad, Robert Peattie, the record-holder at Cupar, and a former Scottish Midlands Champion, became the reigning champion in junior golf. He wrested the match out of the hands of a French lad, Pierre Manuvrier, two years his senior, with enough prowess in his own country to be in a French team in an encounter with British men a few months ago. Peattie is a worthy champion. He defeated his opponent only on the last green of a thirty-six holes' match, but all day he had fought against the collar, and the burden of a deficit never perturbed him. He seemed confident that his best golf would come to him, and so it did at the very end. Manuvrier led from the fifth hole in the morning until the third hole in the afternoon, and all the time this young French giant belied his Latin temperament. He was

neither over-confident nor excited; in fact, his mother, who had come over from Dieppe to watch her boy play the great match, must have felt the strain more than did Manuvrier himself. Peattie played well with the dogged spirit of the Scots, but he was three down at one stage and went to lunch with a deficit of two. He was all square at the third, but was soon behind again, and when the young players turned for home for the last time, Manuvrier still held the lead. Now came the most thrilling golf of the Championship, and Peattie played it. Twice Manuvrier took three putts—a very rare occurrence—and a sliced drive were the factors which made him one down at the thirtieth hole of the match, the first time he had been behind since he lost the second hole. No champion ever struggled more gamely than did these youths, while a crowd of some hundreds watched almost breathlessly. Hole after hole was divided in par figures, and so they came to the dramatic 36th hole with the Scottish boy dormie one.

Here was the tragedy. After Peattie had put his second shot into a bunker, the French boy from a good lie did the same. Peattie played first and sent his ball flying into a bunker on the other side of the green. Manuvrier, confident of success, played the shot too easily. The ball struck the bank of the bunker, came back, and as he played shot after shot his hopes were buried more and more deeply in the terrifying bunker. It was his first grave error of judgment, and it robbed him of what chance he might have had of winning the Championship. The

young ambassador of France, representing his country alone, felt his defeat keenly, none the less because of the shower of condolences he received, for well might he have thought that France would rob Scotland of the Boys' Championship title, for Peattie, though deserving of success, had been struggling most of the time. His homeward half, faultless until he came to the last hole of the match, won the title for the Scottish boy, for his figures averaged four's for eight holes."

## TORONTO CLUB LADIES' TEAM

Wins the Championship of the City of Toronto—Lambton Ladies a Close Second

THE first year's competition for the Toronto Ladies' Inter-club Team Championship and possession of The Mail and Empire Trophy for the next year was completed last week, when the Toronto Club's team won their ninth match and increased their total points for the season to 123. Rosedale gave the champions their second hardest match of the series, winning five of the eight matches at home, although the strong top half of the Toronto Club made a clean sweep at Toronto. Lambton, who finished second, eleven points behind the leaders gave the Toronto ladies their closest game of the season in the second series, losing by a margin of four points. Rosedale was a good third with 95 points.

The competition proved of immense benefit to the lady golfers of the ten Toronto clubs this season, and has provided an interesting series of matches, although the strength of the Toronto Club was clearly demonstrated, and the winners of the event have been certain for some time. As a result of the increase in match play the players have learned considerable about the rules, and have taken added interest in inter-club matches, as they gave them the opportunity of playing on other courses and with players with greater experience. As is usual in the first year of any event, several matters have been brought up which will likely be rectified next year to make the competition more uncertain and to make the indi-

vidual matches closer. It is likely the C. L. G. U. will consider the introduction of handicaps into the competition, either club or individual, and as there is a possibility of two or more clubs entering next year it may be necessary to divide the clubs into two groups. This will reduce the number of matches for each club and will give the various clubs more time for club competitions. The final matches produced results that were much closer than the average, Weston and Lakeview winning by two points over Mississauga and Thornhill respectively; Scarboro had a four-point margin on Summit, and Toronto won by six points from Rosedale. Lambton won all but two matches from Humber Valley.

The final standing:

Toronto—15, 10, 16, 16, 14, 13, 12, 11=123.

Lambton—14, 6, 13, 7, 12, 15, 15, 16, 14=112.

Rosedale—10, 9, 12, 9, 11, 10, 14, 15, 5=95.

Mississauga—6, 10, 3, 11, 9, 15, 13, 4, 7=78.

Weston—2, 7, 12, 8, 9, 2, 12, 9, 9, =70.

Scarboro—12, 6, 4, 8, 4, 9, 3, 12, 10=68.

Summit—8, 9, 7, 0, 7, 6, 1, 7, 6=51.

Lakeview—8, 12, 0, 5, 5, 1, 4, 4, 9=48.

Humber Valley—1, 4, 9, 12, 7, 7, 3, 1, 2, =46.

Thornhill—4, 7, 4, 4, 0 1, 2, 0 7=29.

# MRS. H. C. FOY OF QUEBEC

Is the Champion of The Canadian Women's Senior Golf Association—Most Enjoyable Two-days' Tournament Held During Close Championship Week—Mrs. A. E. Mussen, of Montreal, Re-elected President

NOT the least interesting feature of the Ladies Close championship at Mississauga, last month, was the staging during the week, of the second annual tournament of the Canadian Women's Senior Golf Association. The majority of the senior golfers participated also in the Close Championship, but found time to devote two days to their own competition which was thoroughly enjoyed by a large field of entrants.

As a result of the 36-hole medal play competition there is a new Senior Golfing Champion of Canada. Mrs. H. C. Foy of Quebec City and an ex-champion of the Province of Quebec, displacing Mrs. Sidney Jones of the Toronto Club, last year's champion. Mrs. Foy, after, for her, an indifferent 101 the first day came back the second 18-holes with a remarkably fine 85, which gave her a total for the two days of 186, or eight strokes ahead of Mrs. H. M. Bostwick of Hamilton who, with a total of 194, was in second place. The following are the scores and prize winners of the tournament:

## THE PRIZE WINNERS.

The prize-winners for the two-day tournament were:

Champion, holder of C. W. S. G. A. Championship Cup and winner of replica—Mrs. H. C. Foy, Quebec.

Runner-up—Mrs. H. M. Bostwick, Hamilton.

Class "A"—Best net, 36 holes, Mrs. A. P. Burrill, Toronto; best gross, 36 holes, Mrs. A. F. Rodger, Lambton.

Class "B"—Best net, 36 holes, Mrs. E. P. Clarkson, Rosedale; best gross, 36 holes, Mrs. E. A. Mumford, Montreal.

Mrs. A. E. Mussen, Montreal, President Canadian Women's Senior Golf Association.

Class "C"—Best net, 36 holes, Mrs. A. E. Mussen, Royal Montreal; best gross, 36 holes, Mrs. Boyd Magee, Toronto.

Driving Competition—Silver Division, Mrs. A. F. Rodger, Lambton; Bronze Division, Mrs. J. Heath, Humber Valley.

Approaching and Putting Competition—Silver Division, Mrs. A. F. Rodger, Lambton; Bronze Division, Lady Baillie, Mrs. Mumford and Mrs. Heath, tied.

Best gross, 18 holes, Thursday—Mrs. H. M. Bostwick, Hamilton.

Best gross, 18 holes, Friday—Mrs. H. C. Foy, Quebec.

At the annual meeting of this very virile organization held during Tournament week, the following prominent Board of Officers was elected:

Patronesses—Lady Baillie, Toronto; Mrs. Edmund Bristol, Toronto; Lady Meredith, Montreal; Mrs. G. L. Cains,

Montreal, and president of the C. L. G. U., Mrs. Leonard Murray, Toronto.

President—Mrs. A. E. Mussen, Montreal.

Vice-president—Mrs. Arthur D. Miles, Toronto.

Hon. Secretary-Treasurer — Mrs. Hamilton Burns, 399 Huron Street, Toronto.

Executive—Mrs. J. C. Dunlop, Montreal; Mrs. E. A. Whitehead, Montreal; Mrs. Haydn Horsey, Montreal; Mrs. F. T. Handsombody, Quebec; Mrs. H. C. Foy, Quebec; Lady Egan, Ottawa; Mrs. Brownlee, Rivermead; Mrs. Kidd, Ottawa; Mrs. Geo. Chahoon, Jr., Grand Mere; Mrs. A. F. Rodger, Toronto; Mrs. W. C. Stikeman, Toronto; Mrs. H. E. Tilley, Toronto; Mrs. Phippen, Toronto; Mrs. H. M. Bostwick, Hamilton; Mrs. E. B. Smith, London, and Mrs. F. Cowan, Oshawa.

The annual dinner of the association was a particularly enjoyable affair. The guests of honour were Mrs. Stewart Hanley, Michigan State champion and Miss Madge Miller, former Michigan titleholder. It was held at the lovely residence of Lady Baillie, Oakville, and her hospitality was unbounded.

Mrs. Mussen, the President, was very happy in proposing the various toasts, which were enthusiastically received. In her opening remarks she said:

"I am only a two-year-old President, and I therefore frankly confess I am a coward about making speeches! I am happy to be with you—very happy—but uncomfortable on my feet—very. In my embarrassment I am encouraged, however, by the experience and courage of others when faced with equally serious responsibilities. I think of the Irish car driver whom some friends of mine approached this summer in Ireland, asking him to take them a ten mile drive into the country. There were six in the party and the Irish jaunting car held only four and the driver, nothing daunted by this problem, Pat looked my friends over and then said with a solemn twinkle of his eye: 'If yez sit *aisy*, I can take four of yez. If yez sit *contagious*, I kin take five of yez, and if yez sit *familiar*, I can take the whole lot of yez!' (Laughter).

My message is therefore, let us 'sit familiar' and not be daunted by things! Getting together as we are doing to-night will help us to reach our objective, which is naturally a bigger and finer association! Thanks to the splendid service of my officers and

and the fine courage and spirit of our ladies of 45 I have every assurance of our continued success. (Much applause).

Many other happy speeches were made during the evening, and altogether this annual dinner will long remain a fragrant memory with all the participants.

Miss Madge Miller, of Detroit, is the author of the following clever verses, dedicated to the Canadian Seniors' Lady Golf Association:

"Once more the Senior Golfers meet  
To revel in the game;  
They hardly call us youngsters,  
But 'we get there just the same.'

We may not play the course in par,  
Nor always find our ball;  
But better be a 'has-been,'  
Than 'a never was at all.'

Each year old Father Time presents,  
New names upon our page;  
The one time every Lady Golfer,  
Gladly tells her age.

For any golfer in the land,  
Who's made herself a name,  
Will some day join our noble ranks,  
And offer us her fame.

So while the Juniors envy us,  
They're counting up the years,  
Till they can be a Senior too,  
'God bless you all, my dears.' "

## CYRIL TOLLEY WILL NOT RESIDE IN U. S.

**M**R. CYRIL TOLLEY, the long-driving Britisher, did not sail from Quebec this month with the rest of his team, but has decided to spend another month or so golfing in Canada and the States. It has been freely mooted that Tolley, like so many other Old Country golfers, had fallen for the lure of the U. S. and intended to in future reside there. This, however, the Oxonian strenuously denies. "Willie" Hunter, another former British Amateur Champion, is now a resident of California, and English and Scottish professionals by the score have become naturalized American citizens. Old Country golf can ill afford to lose a player of Tolley's outstanding abilities and it is to be hoped that for the sake of the game in the tight little isle that he is sincere in his statement, which he emphatically made to me in Hamilton, that he intends to return to England. From a golfing standpoint, he is certainly wanted there more than in the United States. As a result of the war, Great Britain's amateur supremacy on the links has been sadly crippled and it will be a few years yet before she comes into her own again. On the other hand, the U. S. has high-class amateurs by the score to call upon in International and other Championships.

At Hamilton last week, Tolley again sustained his reputation as possibly the longest driver in the world. The Ancaster course was quite heavy as the result of the recent rains, but the Britisher registered no less than three drives of 300 yards or more.

## VISIT OF WALKER TEAM

Golfing History Was Made When Cyril Tolley and a Representative "Six" of the Leading Old Country Amateurs Played in Toronto, Ottawa, Montreal and Quebec—In the Official Matches the score was: Britishers, 11; Ontario-Quebec, 6

THE visit of the six members of the British Walker Team to Toronto, Montreal, Ottawa and Quebec the past few days marks quite an epoch in golf in Canada. This is the first time that a representative team from the Old Country has ever been seen in Canada, and leading golfers in the centres mentioned naturally eagerly followed their play, which also to some extent gave a "line" on our own players. And in this respect, the comparison was on the whole encouraging. Both in Toronto and Montreal where official matches were held, our players showed that they were quite in the Britishers' class and that Canada to-day selecting a team of say ten men from Coast to Coast could give our golfing Kith and Kin from across the sea a very good argument.

There is no question that Cyril Tolley was the outstanding figure of the British side. He really is a great golfer—few better in the world. His driving is prodigious and his iron shots too, leave little to be desired. It would seem that he has the fault of all the leading Old Country golfers, both amateur and professional, with the possible exception of Ted Ray. He is not, like the American top-notchers, a good putter. At least, in Canada he did not show any outstanding ability on the greens. One feature of his play was especially admired. He is almost a George Duncan in the rapidity with which he plays every shot. He certainly is no sluggard. Norman Scott, the classy Montrealer, one of the longest drivers in Canada, in defeating Tolley 4 and 2, added much lustre to his reputation.

Other particularly good players on the British team were the Hon. Michael Scott, who won the Australian Open Championship in 1904 and 1907, and the Amateur Championship of Australia in 1905, 1907, 1909 and 1910. He also has to his credit the Victoria Amateur Championship 1904, 1905, 1907, 1908, 1909 and 1910. In 1912 he also won the French Amateur—altogether quite a string of Championships. It was certainly quite a feather in the golfing cap of W. J. Thompson to defeat in Toronto such a doughty player as the Honorable Michael, who by the way is a most charming man. He is the oldest member of the party—46 years of age.

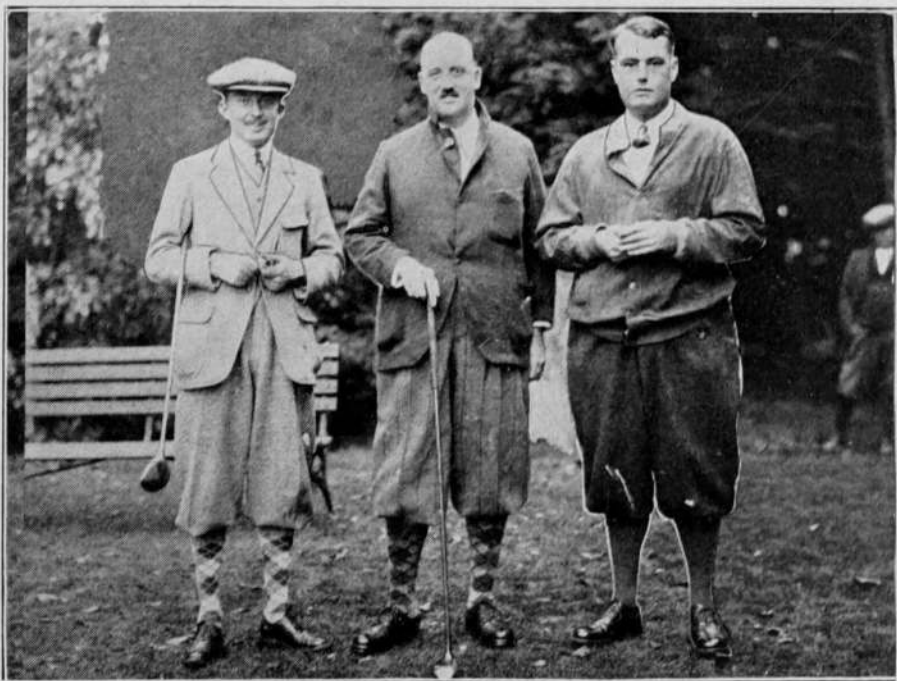

Another fine player is Major Hezlet, a member of a most distinguished family of Irish golfers, his sisters having many championships to their credit. His mother is 69 years of age, but only this summer competed as usual in the British Ladies' Open Championship. The Major is an ex-Irish Champion, and just before the war broke out, in which he had a most distinguished career, was runner-up in the British Amateur.

One of the most popular members of the team was E. F. Storey, the Cambridge Captain and runner-up in the British Amateur this year. He has a "Prince of Wales" touch about him, altogether delightful. Seymour Lyon accounted for him at Toronto 2 and 1—no mean accomplishment. True to his name, a great story teller is Storey, whilst the redoubtable Tolley has a very sweet tenor voice and delighted the guests at the many dinners tendered the visitors during their tour by singing several songs most artistically.

The result of the two official matches played in Toronto and Montreal: British won 11 matches; Ontario-Quebec 6, with one match halved. The four winning Canadians in the singles were: W. J. Thompson (Toronto), Norman Scott (Montreal), Seymour Lyon (Toronto), and G. R. McCall (Montreal). In the four-ball matches at Montreal the Canadian pairs who won were: Norman

M. Scott (Royal Montreal), and C. C. Fraser (Kanawaki), and J. W. Yuile (Quebec Amateur Champion), and G. R. McCall (Beaconsfield).

Mr. S. B. Gundy, President of The Royal Canadian Golf Association, and Mr. B. L. Anderson, the Secretary, met the British team in New York and escorted them to Toronto, where they were the guests of the Toronto Club for two days. In the official match there on Tuesday, September 30th, they were opposed in the singles by Messrs. Frank Thompson, Mississauga, Canadian Ama-

teur Champion; Ross Somerville, London Hunt, runner-up in the Amateur; W. J. Thompson, Mississauga, Ontario Amateur Champion; Seymour Lyon, Lambton; George S. Lyon, Lambton, and Don Carrick, Scarborough, runner-up in the U. S. Junior Championship.

These matches resulted as follows:

- C. J. H. Tolley defeated C. R. Somerville, 4 and 3.
- Major Hezlet defeated Frank Thompson, 2 and 1.
- W. J. Thompson defeated Hon. Michael Scott, 6 and 5.
- Seymour Lyon defeated E. F. Storey, 2 and 1.
- W. L. Hope defeated George S. Lyon, 4 and 2.
- Robert Scott, Jr., and Don Carrick, all square.

In the morning four-ball matches were played and the Britishers registered a clean sweep in these events. The score:

- C. J. H. Tolley and Major Hezlet defeated Frank Thompson and C. R. Somerville 6 and 4.
- Hon. Michael Scott and E. F. Storey defeated W. J. Thompson and Seymour Lyon 3 and 1.
- W. L. Hope and Robert Scott, Jr., defeated John Lewis, Brantford, and John Haddon, Toronto Golf, 4 and 3.

The matches were played under most adverse weather conditions, a steady downpour of rain prevailing throughout the day, which, however, did not deter quite a large sized gallery, both in the morning and afternoon following the play, Tolley naturally had the largest following, and the British crack did not dis-

appoint his many admirers, as he treated them to several prodigious drives, notably in the afternoon at the 5th, where he reeled off a 300 yarder which might easily have been 335 yards if course conditions had been favourable. The young Londoner, Ross Somerville, also a very long driver, gave him quite an argument, however. He was visibly nervous for the first four holes, losing three of them, but he won the fourth and fifth, the former when Tolley just failed to negotiate a stymie and the fifth when Tolley's putt hung on the lip. The seventh was halved, and Tolley won the eighth and ninth to make the turn three up. On the inward journey par golf was the rule, the only exception being the eleventh, when Somerville took a five and lost the hole. The other five holes that were played were halved. Tolley had but one error, plunking his chip shot into the bunker at the second, but Somerville missed a somewhat easy putt and the hole was halved. Tolley was out in 39, two over par, and his card of 63 for the fifteen holes was excellent golf under the trying weather conditions.

W. J. Thompson was in great form, and fairly smothered the Hon. Michael Scott, the many times Australian Champion. Out in 36, or one under par, he was four up and the end came at the 12th, where the Ontario Champion registered a 6 and 5 defeat. The Hon. Michael Scott told the writer that Mr. Thompson was a veritable "George Duncan." He was most enthusiastic about the all-round fine play of his Canadian opponent. Mr. Seymour Lyon, too, recorded a meritorious victory when he accounted for the Cambridge Captain, E. F. Storey, runner-up in the British Amateur, 2 and 1. Seymour was out in an excellent 38, which gave him a lead of two holes and from there on he was never seriously challenged.

W. L. Hope was one up on George Lyon at the ninth, but was held for a while, only to draw away towards the end. Don Carrick had a great chance to secure a win for the Ontario team when he made the turn two up, but he lost the tenth and eleventh and surrendered the lead at the fourteenth. From here on he and Robert Scott provided a great contest and they ended on even terms. The ex-Ontario Junior Champion played the pluckiest kind of a game throughout against his dour and seasoned Scottish opponent, and certainly earned his golfing spurs that memorable afternoon at the Toronto Links.

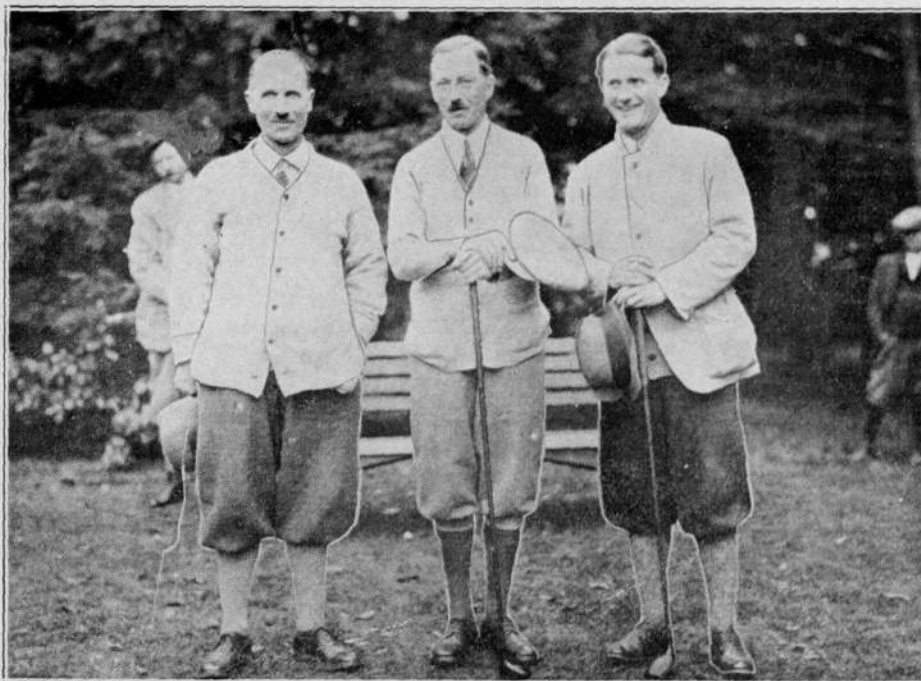

The following day the Britishers were the guests of the Lambton Golf and Country Club and engaged in friendly four-ball matches. Tolley and Major Hezlett won from Fred. Lyon, Junior Champion of Ontario, and Andrew Kay, professional of the club, 1 up. Tolley clinched the game with a long drive on the seventeenth hole, a second shot sliced around the trees to within six feet of the cup for a 3. Fred. Lyon was in particularly good form and more than held his own throughout the match.

E. S. Storey and Allan Findlay won from Hon. Michael Scott and John Firstbrook, 4 and 3, and W. L. Hope and Howard Heintzman defeated Robert Scott, Jr., and John Chipman, 2 and 1.

During the visit of the Britishers to Toronto two outstanding dinners were given in their honour. At the Toronto Club Mr. C. A. Bogert, the President, was in the chair, and a very capable chairman he made, too. A most excellent menu was enjoyed to the tune of first-class music supplied by the famous Georgian Quartette. Brief speeches were made by Mr. Bogert, Mr. Gundy, President of the R. C. G. A., Mr. Tolley and Mr. Henry Gullen, Secretary of the Royal and Ancient, who accompanied the British team as manager. Mr. Gullen, who has an International reputation in golf, in a very clever little speech, especially paid a well deserved tribute to The Royal Canadian Golf Association, which Association, he stated, had always so loyally followed in the footsteps of the Royal and Ancient.

At Rosedale the British team and some forty of the leading golfers of Ontario were the guests of the President of the Club, Mr. R. C. Matthews, at a

particularly jolly little dinner, at which the chief guest of honour was the Hon. Howard Ferguson, Premier of Ontario. The Premier was in particularly good vein in his speech of welcome to Mr. Tolley and his team. He referred to the fact that his Government would sooner have one clean-cut young British boy coming to Ontario than fifty boys from Continental Europe. Mr. Matthews made an ideal Chairman at this dinner, whilst most interesting speeches were made by Mr. Tolley, Mr. Gullen, Major Hezlet, Hon. M. Scott and Ralph H. Reville.

The British Walker Team, Left to Right, Robt. Scott, Jr., Hon. Michael Scott, and W. L. Hope.

At Lambton Mr. W. S. Hodgson, the President, was the host at a most delightful little luncheon given in honour of the Britishers.

Leaving Toronto on Wednesday night, the British team journeyed to Ottawa, where for two days they were the guests of The Royal Ottawa and Rivermead Golf Clubs.

At the Royal Ottawa Cyril Tolley was paired with Henry Gill, Royal Ottawa champion, and they defeated Major C. O. Hezlet and Col. Reg. Orde two up and one to play. W. L. Hope and P. D. Ross defeated R. Scott and Col. A. Z. Palmer four up and two to go. Hon. M. Scott and C. E. Read, Jr., were all square with E. Storey and A. G. Gill.

The French Open Champion was right on his game. He was out in 34 and home in 36, for a particularly well played 70.

As a matter of fact, there was nothing exceptional about Tolley's game till he came to the sixth hole, which he took in two. The next two fell to his mighty driving and putting cunning in threes, and by that time the gallery was aware that he was producing some superfine golf.

It was on the ninth hole that he drove over the gully, an approximate two hundred and sixty yard drive. He repeated this drive again after the others had played. His driving was always terrific, but his putting was not so true.

On the eighth he negotiated, however, a down hill putt for a twelve footer, and on the seventh made a notable play, getting a twenty-foot putt. These were the outstanding plays with his putter.

But Tolley was not the only one of his team who was playing par, or nearly par golf. W. L. Hope turned in a fine card of 72, going out in 38 and coming home with a remarkable 34. Major Hezlet also collected a 73, the Hon. Michael Scott a 75, and E. Storey a 76. The best card of the Ottawa players was C. E. Read's 78.

At Rivermead the following day Tolley was distinctly off his game, and had to be satisfied with a 77.

Major C. O. Hezlet had a 73, which was marked by some beautiful approaching, and E. F. Storey had a consistent and steady 72. Cyril Tolley, paired with J. M. Skead, was all square with Major Hezlet and Melville Rogers, Rivermead champion. Hon. Michael Scott and P. J. Wood won one up on E. F. Storey and C. R. Robertson; W. L. Hope and J. J. Cowie were all square with Major Hezlet and Melville Rogers.

Tolley did not at any time with the exception of his play on the 17th, reach the heights he showed the day before. His driving was always lengthy, not so accurate and his work with his putter left a lot to be desired. He picked trouble with consistency and on the 12th went into the trap, which was filled with water. He tried to play out and waded into five inches of water, but encountered grief and took six, finally for the hole. On the 17th his second shot from a bad lie bisected the trees, and was as fine a shot as has been noted on this particular stretch of the course in many a long day.

Those who followed the Hon. Michael Scott paid tribute to the soundness of his golf. He had a superb 36 going out and an equally attractive 35 coming home. He had five fours and two threes going out and no less than four threes coming home. His driving did not have the length that Tolley showed, but it was very satisfying. His work on the greens was very good with one exception, and that was on the 14th. He was on in one and only had a four-foot putt to sink, but carried on a casual conversation while doing so and missed. His game, however, was well worth seeing.

Mr. E. Storey, with a 72, was not far behind, and he too, gave evidence that Mr. Tolley wasn't by any means the only player of ability on the invaders' team. Mr. R. Scott had 73, made up of an outgoing 37 and an incoming 36.

Rivermead players did very well. Melville Rogers had atrocious luck at the start and it took him four holes to steady down. He played fine golf from the ninth hole onward, and his approaching left little to be desired. His driving too, was a strong department of his game. P. J. Wood, Max Skead, Harry Blade, J. J. Cowie and C. R. Robertson played effective golf.

Whilst in the Capital the visitors were most hospitably entertained by both the Royal Ottawa and Rivermead Clubs.

On Saturday, October 4th, the Britishers met a representative Quebec team on the Summerlea course, Montreal, and managed to squeeze out a close victory by 5 matches to 4. The scores:

Foursomes—

Norman M. Scott, Royal Montreal, and C. C. Fraser, Kanawaki, defeated Cyril Tolley and Major C. O. Hezlet 1 up.

J. W. Yuile, Royal Montreal, and G. R. McCall, Beaconsfield, defeated Robert Scott and E. F. Storey, 2 and 1.

Hon. Michael Scott and W. L. Hope defeated William McLuckie, Kanawaki, and W. M. Hodgson, 2 and 1.

Singles—

N. M. Scott, Royal Montreal, defeated Cyril Tolley, 4 and 2.

Hon. Michael Scott defeated W. M. Hodgson, Royal Montreal, 3 and 2.

W. L. Hope, defeated J. W. Yuile, Royal Montreal, 7 and 5.

E. F. Storey defeated William McLuckie, Kanawaki, 2 and 1.

G. R. McCall, Beaconsfield, defeated Robert Scott, 2 up.

Major C. O. Hezlet defeated C. C. Fraser, Kanawaki, 4 and 3.

## ATLANTIC CITY

On the Beach and the Boardwalk  
In the very center of things

Norman Scott played sound golf to beat the redoubtable Tolley by the comfortable margin of 4 and 2. G. R. McCall, the youthful Beaconsfield player, staged a very fine game against Robert Scott, whom he defeated 2 up. A particularly interesting match was that between the Cambridge Captain and the ex-Amateur Champion, Wm. McLuckie. The Cantab took the measure of his opponent 2 and 1.

Following the matches, which were witnessed by a gallery of some 500 enthusiasts, the teams were the guests of the President, Mr. J. W. McConnell, and Directors of The Royal Montreal Golf Club, at a most delightful dinner.

The hospitality of The Royal Montreal Club is known throughout the golfing world, and the Britishers were loud in their praises of the entertainment accorded them and of the magnificent club house—one of the finest on the continent. The following day the team was the guest of Mr. E. L. Pease, President of the Mount Bruno Club, who presided at a delightful luncheon given in their honour. In the friendly matches played at Bruno Cyril Tolley and Major C. O. Hezlet defeated Norman M. Scott and W. M. Hodgson, 5 and 4. Hon. Michael Scott and W. L. Hope defeated C. B. Grier and J. W. Yuile, 3 and 1. G. H. Turpin and Alex. Wilson defeated E. F. Storey and Robert Scott, 2 and 1.

Tolley was in much better form at Bruno than he was at Summerlea the day previous. He started the real fireworks, writes the golfing editor of the Montreal "Gazette" going to the ninth green, when he carried the ditch with his first shot. The distance is about 310 yards, and this is the first time that the ditch has been carried in one since the course was opened.

Tolley then distinguished himself at the eleventh, when he carried the green, a distance of 335 yards, with his drive.

The Montreal visit was brought to a most successful conclusion by friendly matches at far famed Beaconsfield. A large representation of the membership

turned out to do honour to the visitors, the luncheon being a decidedly merry affair.

In the afternoon they played a team selected from the club, and won all three foursomes by decisive margins. Beaconsfield, like all other Montreal courses, was by no means in the best of condition for the best of golf owing to the sodden state of the turf, but it was sufficiently fiery to enable Cyril Tolley to go the round in 69, while the Hon. Michael Scott went the distance with a sterling 71. Early in the play it seemed a fair hope that Tolley, by way of his magnificent driving, would lower the course record held by Charlie Murray, but he was three strokes behind at the finish. The matches were enjoyed by a considerable gallery. Following are the results:

Cyril Tolley and Robert Scott defeated T. B. Reith and G. R. McCall by six and four.

Hon. Michael Scott and Major C. O. Hezlet defeated Sydney Morgan and D. C. Ritchie, three and two.

W. L. Hope and E. F. Storey defeated R. C. Smith and E. S. McDougall, six and four.

At their last "port of call" in Canada at historic Quebec, the Britishers made a clean sweep of the three matches played with the Quebec Golf Club at the Montmorency Falls course on Oct. 7th, and the large gallery that followed the different players were treated to some pretty all-round golfing.

Three foursomes were played over eighteen holes and resulted as follows:

Cyril Tolley and Hon. Michael Scott defeated Ivan Bosse and G. S. Ahern 6 and 5.

Major Hezlett and R. Scott, Jr., defeated W. Ahern and H. S. Bosse 3 and 2.

E. F. Storey and W. L. Hope defeated F. E. Gendron and W. P. Good 5 and 4.

The visitors arrived in Quebec Tuesday morning and after breakfast were driven around the city by members of the Quebec Golf Club. They were afterwards tendered luncheon at the Quebec Golf Club and after the match were guests at tea served by the Quebec Ladies' Golf Club. In the evening a dinner was tendered the visitors at the Garrison Club by Mr. A. J. Welch, president of the club.

Altogether the three matches were productive of some splendid play and the Quebec players certainly made a particularly good showing. The largest gallery followed the Scott-Tolley-Bosse-Ahern foursome. The Hon. Michael Scott played the most consistent game of the quartette and incidentally was responsible for the prettiest shot of the day when after a nice drive he used his brassie for his second shot and landed his ball to within six feet of the pin at the 440-yard fifteenth hole. Tolley started this match with two holes in three, both under par, but later appeared to grow careless.

The dinner at the Garrison Club, Mr. Tolley informed the Editor, during an enjoyable chat at Hamilton, was one of the most delightful of the whole tour. Short speeches were delivered by A. J. Welch, president of the club, who welcomed the visitors. Cyril Tolley, who responded for the Walker Cup team, Hon. Frank Carrel and Major Hezlet.

With the exception of Mr. Cyril Tolley, the team sailed on the afternoon of Wednesday, October 8th, on the Empress of France, and are again home. They one and all made hosts of friends, both in the States and Canada and a return visit in a couple of years is already being eagerly anticipated.

As a result of this most delightful visit of the British Walker Team to Canada, it is quite on the cards that International Matches in the future may be arranged between Canada and Great Britain. At the Rosedale dinner Mr. S. B. Gundy, President of the R. C. G. A., suggested such a fixture and the idea met with a most enthusiastic reception from the many prominent golfers present. On the showing made both in Toronto and Montreal it would seem that Canada is now quite able to put a representative team in the field capable of giving our British golfing Kith and Kin a rattling good argument.

## LADIES' CHAMPIONSHIP GOES WEST

Mrs. H. G. Hutchings, of Winnipeg, Scores a Double Victory, Winning the Championship of Canada and also the Qualifying Round—Record Field of Lady Golfers have a Thoroughly Enjoyable Week's Golf at Hospitable Mississauga—Mrs. Hope Gibson, Runner-up in Championship, and Miss Helen Baker, Winner of Championship Consolation

**E**AST went West in 1921 and Mr. Frank Thompson, of Mississauga, over the sporting Winnipeg course, annexed the Amateur Championship title of Canada. West came East this year and as a result of Mrs. H. G. Hutchings' consistent golf throughout the Ladies' Close Championship at Mississauga, Winnipeg today can boast, and boast not unduly, of numbering among her residents the leading lady golfer of the Dominion. And that is no mean honour. The victory of the charming Englishwoman, who is now proud to claim Winnipeg as her home, was a most popular one with the gallery at Toronto last month because it has been recognized now for the past two or three years that Mrs. Hutchings is not only a finished golfer, worthy in every way to wear the ladies' golfing crown of Canada, but that in the very best interests of the game, it is a good thing to have titular honours go round a bit. The West has never heretofore won a Canadian major golfing event. In 1920 at Beaconsfield, Mr. T. Gillespie, of Calgary, had a good chance to win the Amateur, but failed in the final to play his game and again in 1921 at Winnipeg, Mr. C. W. Hague, also a Calgary golfer, came nearly annexing premier honours, taking Mr. Frank Thompson to the 38th hole before acknowledging defeat. And that is the nearest the West has ever come, previous to last month, to securing a place in the golfing sun.

But Mrs. Hutchings not only won the Canadian Close Championship and reached the semi-finals in the Open, but she also on both occasions won the Qualifying Round. At Ancaster she led the field with a really wonderful 78 from the back tees, three strokes ahead of the great Glenna Collett herself. The week following at Missis-

sauga, she was also out in front, despite most adverse weather conditions, with a masterly 80, seven strokes ahead of the next qualifier. Then it must be remembered that at Mount

Bruno last year, in the Close Championship she also headed the Qualifying Round with a 79. In winning these three Qualifying Rounds "all in a row," Mrs. Hutchings therefore had a 79, 80, 78 for a total of 237, which works out a little better than 4½ strokes per hole.

These are very remarkable performances, over such testing courses as Bruno, Hamilton and Mississauga—performances never before equalled by a woman player in Canada, or possibly the States. Mrs. Hutchings is a fine match player, a very fine match player, but as a medal player, she is even greater. I am inclined to think that if the women of America should ever hold an Open Championship along the same lines as the men, that Mrs. Hutchings would be installed favourite for first place. When it comes to medal play, she is, from a feminine viewpoint, in the same class as "Bobbie" Jones, from the men's standpoint. His cards in the last four U.S. Open Championships show that he is some fourteen strokes ahead of the great professional, Walter Hagen, his nearest competitor.

The Canadian Close Championship was first played for at Lambton in 1922, when it was won by Mrs. Hope Gibson. Last year Mrs. Mulqueen (Miss Sidney Pepler), captured the title, so in winning the Championship, Mrs. Hutchings defeated both the former Champions—Mrs. Mulqueen in the semi-finals and Mrs. Gibson in the final.

Following a gruelling week at Ancaster at the Open Championship, Mrs. Leonard Murray, the President, and the directors and members generally of The Canadian Ladies' Golf Union, had every reason to feel gratified at the splendid entry for the Close Championship at Mississauga. All the leading Canadian players who participated in the Open also had their hats in the ring at Mississauga, besides an increased number of the handicap players—in all a total of 150 odd compared with a total of 111 at Mount Bruno last year. At Bruno six cards of 100 were required to play off for the four last

places of the 32 qualifying for Championship honours. At Mississauga seven competitors with cards of 104, played for the right to compete for last place. Weather conditions at Mississauga, however, were very adverse for medal play. A stiff wind throughout the day was in evidence and the course was heavy from recent rains. The following qualified for the Championship: Miss Willo Gage, Lambton; Miss Kate Christie, Lambton, and Miss Cockshutt, Toronto Golf Club, with scores of 104, being eliminated in the play-off:

Here was a field comprising the best lady golfers of Manitoba, Quebec and Ontario. The Maritimes, it will be noticed, were not represented, neither were the Provinces of British Columbia, Alberta or Saskatchewan, and there are many fine women golfers in all four. The great distances in Canada, however, will, it is to be feared, always militate against a really representative contest in the Dominion, either of women or men. More's the pity.

The draw was an interesting one, both the upper and lower bracket having its favourites. And this is how the succeeding three days' play resulted:

**First Round:**

Mrs. Harold Hutchings, Winnipeg, defeated Miss Dorothy Thomson, Brantford, 6 and 5.

Mrs. H. M. Bostwick, Hamilton, defeated Mrs. A. N. Mitchell, Rosedale, 5 and 4.

Mrs. Hume Wrong, Toronto, defeated Miss Helen Reid, Rosedale, 6 and 5.

Mrs. Maud Ross, Royal Ottawa, defeated Mrs. T. J. Agar, Mississauga, 3 and 2.

Miss Helen Paget, Royal Ottawa, defeated Mrs. A. F. Rodger, Lambton, 6 and 5.

Mrs. Hector Cowan, Sarnia, defeated Mrs. Ed. Martin, Toronto, 6 and 5.

Mrs. M. K. Rowe, Toronto, defeated Miss Helen Baker, London, 2 up.

Mrs. F. J. Mulqueen, Toronto, defeated Mrs. F. N. Handsomebody, Quebec, 4 and 3.

Miss Kate Robertson, Beaconsfield, defeated Miss M. Elmsley, Toronto, 2 and 1.

Miss Louise Macdonald, Toronto, defeated Mrs. B. Mulholland, Summit, 6 and 5.

Miss Effie Nesbitt, Hamilton, defeated Miss Grace Morrison, Hamilton, 1 up.

Mrs. Hope Gibson, Hamilton, defeated Miss Margaret Laird, Toronto, 2 and 1.

Mrs. J. H. Riddell, Scarborough, defeated Mrs. J. J. Ashworth, Toronto, 2 up.

Mrs. F. A. Whittington, Toronto, defeated Mrs. P. K. Heywood, Rosedale, 3 and 2.

Mrs. H. Murdoch, Humber Valley, defeated Miss Violet Mills, Hamilton, at 19th.

Miss Ada Mackenzie, Mississauga, defeated Mrs. H. C. Foy, Quebec, 6 and 5.

**Second Round:**

Mrs. Harold Hutchings, Winnipeg, defeated Mrs. H. M. Bostwick, Hamilton, 7 and 6.

Mrs. Hume Wrong, Toronto, defeated Mrs. Maud Ross, Royal Ottawa, 6 and 4.

Miss Helen Paget, Royal Ottawa, defeated Mrs. Hector Cowan, Sarnia, 8 and 6.

Mrs. F. J. Mulqueen, Toronto, defeated Mrs. M. K. Rowe, Toronto, 1 up.

Miss Kate Robertson, Beaconsfield, defeated Miss Louise MacDonald, Toronto, 4 and 2.

Mrs. Hope Gibson, Hamilton, defeated Miss Effie Nesbitt, Hamilton, 5 and 4.

Mrs. W. A. Whittington, Toronto, defeated Mrs. J. H. Riddell, Scarborough, 4 and 3.

Miss Ada Mackenzie, Mississauga, defeated Mrs. R. Murdoch, Humber Valley, 4 and 3.

**Third Round:**

Mrs. Harold Hutchings, Winnipeg, defeated Mrs. Hume Wrong, Toronto, 2 and 1.

Mrs. F. J. Mulqueen, Toronto, defeated Miss Helen Paget, Royal Ottawa, 2 and 1.

Mrs. Hope Gibson, Hamilton, defeated Miss Kate Robertson, Beaconsfield, 4 and 2.

Miss Ada Mackenzie, Mississauga, defeated Mrs. W. A. Whittington, Toronto, 4 and 2.

**Semi-Finals:**

Mrs. Harold Hutchings, Winnipeg, defeated Mrs. F. J. Mulqueen, Toronto, 4 and 3.

Mrs. Hope Gibson, Hamilton, defeated Miss Ada Mackenzie, Mississauga, 2 and 1.

To reach the final on Saturday, it will be seen that the medallist, Mrs. Hutchings, defeated Miss Dorothy Thomson 6 and 5, Mrs. Bostwick 7

Mrs. Hope Gibson, Hamilton Golf and Country Club, Runner-up in Ladies' Close Championship.

and 6, Mrs. Wrong 2 and 1, and Mrs. Mulqueen, the title holder, 4 and 3. Mrs. Gibson, Ontario Lady Champion and ex-Close Champion, in the meantime, had accounted for Miss Margaret Laird 2 and 1, Miss Nesbitt 5 and 4, Miss Kate Robertson, twice Runner-up in the Canadian Championship, 4 and 2, and Miss Ada Mackenzie, former Canadian and Ontario Champion, 2 and 1.

The real battle of the three days was witnessed in the semi-finals, when, as generally forecasted as the result of the draw, Mrs. Hutchings met Mrs. Mulqueen and Mrs. Gibson her old time rival, Miss Ada Mackenzie. Mrs.

Mulqueen, as a result of a double family bereavement, has been playing little if any, competitive golf this season, and she was not within strokes of her last year's form. Mrs. Hutchings started off brilliantly with a par 4 and birdie 3, but afterwards was not playing up to her usual game. She always, however, had a comfortable edge on the brilliant Torontonian, and the result of the match was never seriously in doubt.

Mrs. Gibson and Miss Mackenzie, on the other hand, were as usual, when they meet, playing an in and out match. All even at the 9th, Mrs. Gibson won the 10th and 11th, only to lose the 12th and 13th, and once more the Mississaugan was all level. The Hamilton expert with a win at the 14th again forged ahead. At the 15th Miss Mackenzie managed to cleverly get a half, and also at the 16th. She outdrove her opponent at the 17th by several yards. Mrs. Gibson, however, was right on the pin with a beautiful

second, and with a perfect 8 foot putt for a 3, or one under par (Miss Mackenzie in the meantime having played two more, which still left her 6 feet from the hole), registered a thoroughly well deserved victory by 2 and 1.

Saturday, September 27th witnessed the final, and a large gallery turned out to see this first meeting of East vs. West in a Ladies' Championship. And it was, too, a most impartial gallery. Mrs. Gibson is one of the most popular golfers in the East, but Mrs. Hutchings also numbered her supporters by the hundred as a result of her two previous visits in quest of the Championship and her sporting attempts to annex titular honours.

The Winnipeg expert repeated her performance in the semi-finals by promptly winning the first two holes from Mrs. Gibson. She, however, lost the third, and then followed three well-played divided holes in par figures. The 7th was won by Mrs. Hutchings, but Mrs. Gibson took the 8th with a perfectly timed 8 foot putt. She, however, lost the 9th as a result of a badly played second, and Mrs. Hutchings started the homeward trip with the useful lead of 2 up, only to lose the 10th as a result of a second shot which was penalised by finding the river. She then proceeded to reel off three winning holes in succession, and going to the 14th was in the well nigh impregnable position of 4 up. Dividing the 14th after a brilliant niblick shot from the bunker, she was dormie.

On the tricky short 15th Mrs. Gibson bagged a brilliant 2, but the end came at the 16th green, where Mrs. Hutchings, who was partly stymied, had two for a half and the Ladies' Close Championship of Canada winged its way Westward to the tune of 3 and 2, amidst the hearty plaudits of a gallery which had thoroughly enjoyed a most delightful afternoon of high-class golf.

Mrs. Hutchings throughout the Championship played a plucky, determined, skilful game. She excels with her woods, getting a ball off the tee which is equalled by very few ranking women golfers. She also uses her irons

crisply and well. Mrs. Gibson once again demonstrated that she has few equals when it comes to playing up to the pin. She is a stylist too, and it is always a particular pleasure to watch her play alike from the tee and through the green. But the Championship was not the only feature of a memorable week. There were competitions in no less than eight flights, besides the Championship Consolation, and many of these matches witnessed golf quite above the ordinary. That sterling young London player, Miss Helen Baker, of the London Hunt, won the Championship Consolation; Miss Willo Gage, of Lambton, the First Flight; Mrs. Irene Bridges, of Winnipeg, the Second; Miss M. Findlay, of Lambton, the Third; Mrs. Sydney Jones, of Toronto, the Fourth; Miss Jane McFarlane, of Hamilton, the Fifth; Miss E. Kirkpatrick, of Toronto, the Sixth; Mrs. F. H. Tremble, of Lakeview, Toronto, the Seventh, and Mrs. A. D. Miles, of Rosedale, the Eighth.

The team match was won by the Toronto Club with a score of 286, just one stroke better than the Hamilton four recorded.

The following is the official prize list of this most successful Tournament:

The following is the official prize list:

Champion, Mrs. Harold Hutchings, Winnipeg; runner up, Mrs. Hope Gibson, Hamilton; gross score, (80) Mrs. Hutchings, Winnipeg; net score, (76) Mrs. Haywood, Rosedale; semi-finalists, Mrs. Mulqueen Toronto, and Miss Ada Mackenzie, Mississauga; championship consolation, Miss Baker, London Hunt; runner up, Mrs. Handsomebody, Quebec; 1st flight winner, Miss W. Gage, Lambton; runner up, Mrs. I. Forsythe, Lakeview; 2nd flight winner, Mrs. I. Brydges, Winnipeg; runner up, Miss P. Wright, Hamilton; 3rd flight winner, Miss Findlay, Lambton; runner up, Mrs. W. E. Phillips, Oshawa; 4th flight winner, Mrs. Sidney Jones, Toronto; runner up, Mrs. A. Leslie, Barrie; 5th flight winner, Miss J. MacFarland, Hamilton; runner up, Mrs. Boulton, Quebec; 6th flight winner, Miss Kirkpatrick, Toronto; runner up, Mrs. Slynne, Weston; 7th flight winner, Mrs. Tremble, Lakeview; runner up, Mrs. Deeks, Lambton; 8th flight winner, Mrs. A. D. Miles, Rosedale; runner up, Mrs. J. W. Burgess, Mississauga.

Driving, silver, Mrs. Hutchings, Winnipeg; driving, bronze, Mrs. D. A. Reid, Thornhill; putting and approaching, silver, Mrs. H. Wrong, Toronto; putting and approaching, bronze, Miss M. Laird, Toronto; longest drive, silver, Mrs. Mulqueen, Toronto; longest drive, bronze, Mrs. Haywood, Rosedale; winner team match, Toronto Golf Club, Mrs. Mulqueen, Mrs. Whittington, Mrs. Wrong, Miss Louise MacDonald.

The presentation of prizes was made in a most gracious manner by Mrs. Leonard Murray of Toronto, president of the C. L. G. U. Mrs. A. E. Mussen Montreal, president of the Canadian Women's Senior Golf Association and Mr. W. Macmillan, president of the Mississauga Golf Club.

On Tuesday evening the Mississauga Golf Club entertained the players at a dinner-dance which was greatly enjoyed.

Throughout the whole week of the tournament the Mississauga officials and members who gave up the whole of their charming club house to the ladies, were untiring in their efforts for the comfort and enjoyment of the entrants who particularly wish to thank Mr. Macmillan, the president and his Board of Directors and the very capable Manager of the club, Mr. H. Donnelly, for their untiring efforts in their behalf. The professional of the club, too, A. J. Miles, came in for all sorts of praise from the ladies.

Altogether the Third Close Championship of Canada, at Mississauga, was a record event in every essential.

## NORTHWEST SENIOR GOLFERS

Decides To Again Have Annual Tournament in Victoria—Will Play Match Instead of Medal in 1925 Championship

THE members of the Seniors' Northwest Golf Association prefer to settle their championship by match rather than medal play, and at a special meeting of the Association called by President Josiah Collins, and held at the Rainier Golf Club, Seattle, Wash., last month, arrangements were made to effect this preference.

In the first place it was settled at the meeting that the next annual championship tournament would be held on the Oak Bay links of the Victoria Golf Club, British Columbia, from August 18 to 21, included. With regard to playing conditions, it was decided that on the first day of the tournament a qualifying round of eighteen holes should be played, and that the first eighteen should qualify for play for the Association championship, and that the defeated eight should form the first flight, and that the next eight in "A" class should qualify for the "A" class championship; the eight in "B" class for the "B" class championship, and the next eight in "C" class for the "C" class championship. All others not qualifying will be drawn in flights of eight, with a prize to be given for each flight.

Other competitions to be held in the tournament will be arranged by the tournament committee, of which Judge Lampman has been appointed chairman, the others having not yet been appointed.

Capt. J. V. Perks, of Victoria, B. C., the Secretary, writes the Editor:

"Ninety-five per cent. of our Seniors desire to get away from medal play for the championship. It will, of course, be necessary for them to play two rounds on the second day (that is the 16 who qualify for the championship), the other flights will play one round; thus the semi-finals in all flights will be played on the third day and the finals in all flights on the morning of the fourth day, and the International Match will be played on the afternoon of the fourth day. I really think the tournament next year will be the 'best ever.'

We had a very nice time in Seattle, and had a very successful meeting, which was followed by an excellent dinner."

## "BOBBIE" JONES COMES INTO HIS OWN

At Last Wins the Amateur Championship of the United States—Goes Through the Classiest Kind of a Field with Consummate Ease

"BOBBIE" JONES, the brilliant U. S. amateur, has at last come into his own and won the National Amateur Championship of the States. He has been knocking at the door since 1914, when he was a mere boy, but the nearest he ever came before to winning the great classic was in 1919, when he was runner-up to S. Davidson Herron at Pittsburgh. Our own ex-Amateur champion, W. J. Thompson, has the satisfaction at any rate that the man who put him out last month at Merion was the one who eventually won the championship and that he defeated George Von Elm of Los Angeles in the final in an even more decisive manner. There is no question that the redoubtable "Bobbie" is to-day the world's greatest amateur. Harry Vardon and Ted Ray told the writer during their last tour in Canada four years ago that no amateur and very few professionals for that matter were in his class. His marvellous record in the U. S. Open and now his victory in the Amateur event have demonstrated that the British veterans were right in their diagnosis. Von Elm, who was so decisively beaten 9 and 8 by the Atlanta wonder, is not known in Eastern Canada, but he is in Victoria and Vancouver, where he has often competed and where he has loomed large in the Pacific Northwest Championship more than once. He is a fine golfer but was perhaps a little bit lucky to get in the final in such a classy field as competed at Merion. He is not in the same bracket as Jones, however, and even his most sanguine friends had little hope of his annexing the title. Previous to last month at Merion his best performance was the winning of the Southern California Amateur Championship in 1922.

Once again Mr. W. J. Thompson, of Mississauga, Toronto, demonstrated that he is one of the leading amateur golfers in America. He was the only

Canadian to qualify and certainly had hard luck in bumping up against "Bobbie" Jones in the first round of the play-off. He was all even with

the Georgia wonder at the end of the first 18 holes, in itself no mean accomplishment, but in the afternoon found the champion to be, playing at the top of his game and was eliminated by 6 and 5.

In the 36-hole qualifying round, D. C. Corkran of the Huntingdon Valley Club, Philadelphia, provided the sensation. The impetus of his unprecedented 67 of the first day carried him to a total of 142 for the 36 holes, qualifying test, two strokes lower than Bobbie Jones of Atlanta.

Bobbie duplicated his first day's 72 and seemed to have the medal won with 144 when Corkran went to the turn in 42, six more than par. Needing a par 34 to beat Jones, Corkran arose to the emergency, and came home in one better than par for a 75. Jones had to be content with the day's best score for 18 holes.

Corkran has the honor of making the lowest 18-hole medal score ever made in a U.S. National amateur golf tournament and also the lowest qualifying score for 36 holes.

He is not unknown in Canadian Golf. In the amateur championship at Beaconsfield, Montreal, in 1920, he looked like a very dangerous contender indeed for the title until he was put out on the 19th hole by Mr. George S. Lyon. He is a very long driver indeed and a golfer quite in the first class.

The U. S. National golf final was eventually a battle of youth, Bobbie Jones being twenty-two years old and George Von Elm a year his senior, and the older boy lost.

Von Elm is a great match player. He has proved this time and again, and he proved it most conclusively at Merion. It must be admitted, though, that he had all the luck in his position in the draw. In the upper bracket were grouped Jones, Ducky Corkran, the medalist, W. J. Thompson, Rudy Knepper, Chick Evans, Francis Ouimet, Willie Hunter, Jess Guilford, Eddie Held, Fred Wright and Ellsworth Augustus.

In the lower bracket in which Von Elm held forth were only Max Marston, Dexter Cummings, Bob Gardner, Woody Platt, and the Englishmen, Hope, Torrance and Hezlet, of any considerable national or international fame. Speaking in bulk, the power of the lower bracket was considerably inferior to that of the upper, where the biggest American stars fought to eliminate each other in the early rounds.

Von Elm drew Roland Mackenzie, the seventeen-year-old Washington schoolboy, in his first match, and came within an ace of losing after being 8 up with 15 to go. He nosed out a victory on the thirty-seventh hole. Then, in succession, he met Louis Watts, Eddie Driggs, and Max Marston, the 1923 champion, winning every match by the margin of seven holes. Only Marston was known to fame, and the defending champion had faced three great opponents in Major Hezlet, Platt and Cummings before meeting the Los Angeles star.

However, the ease with which Von Elm eliminated all his opponents stamped him as a really great player. Had he not been overconfident after gaining a huge lead on the game with Mackenzie he would doubtless have won by a wide margin there.

Bobbie Jones, working in a far more difficult sector, was never really pressed by any of his opponents, beating W. J. Thompson 6 and 5, Corkran 3 and 2, Knepper, 6 and 4, Ouimet 11 and 10. Against Von Elm in the final he played his usual steady, mechanical style, richly earning the title he has sought so long.

The Los Angeles man, steady as he had been against the champion, Marston, could not match Jones generally acknowledged the greatest amateur in the world. Bobbie, seeking the championship for the seventh time, would not be denied. And the slackness of Von Elm's putting, a fault that has sent other stars scurrying down to defeat, was one of the big reasons for his fall.

Jones' game was a bit inferior to the great heights he reached in his semi-final match with Francis Ouimet, but he was better than Von Elm in every branch, and was never down after the second of the 28 holes which the 36-hole match consisted of as a result of the decisive victory.

Jones won twelve holes of the match, of which seven were in the morning round of eighteen holes. Von Elm took three holes, all in the morning, going to lunch four down. Jones, in the morning, made a 74, or four over par on the long heavily bunkered course. Von Elm took 79. To the turn in the afternoon Jones had a 37, one over par,

while Von Elm had a 44, becoming erratic as the inevitable end drew near.

Jones took 47 putts, including six one-putt greens and one three-putt green due to a stymie. Von Elm required 56 putts including three one-putt greens and five where he took three putts each.

The cards—

Jones has been regarded for a long time as the foremost stylist and the best amateur medal player in the world.

Jones has an enviable record in American open competition as follows: 1920, Toledo, eighth; 1921, Washington, fifth; 1922,

Skokie, tied for second; 1923, Inwood, L.I., won playoff of tie for open championship; 1924, Detroit, tied for second.

Among the celebrated players who failed to qualify for the match play-off of the championship were the ex U. S. champion, Jesse Sweetser, Cyril Tolley, French open champion, Frank Thompson, Canadian amateur champion and G. H. Turpin, Montreal, ex-amateur Canadian champion, Chick Evans was eliminated by "Ruddy" Knepper of Chicago in the first round of match play by the decisive margin of 9 and 7. Quimet defeated W. I. Hunter of Los Angeles, former British champion, 2 and 1. Max Marston accounted for Major Hezlet of the British Walker Cup team 3 and 1 and Marston's fellow townsman, J. Wood Platt, likewise had a victory over a Briton, eliminating "Torry" Torrance of Scotland, 3 and 2. After the first day the Americans had the championship all to themselves.

## EXHIBITION GAME AT HAMILTON

Tolley and Anderson Defeated by the Hamiltonians, F. R. Martin and A. A. Adams, 2 up.

**A** VERY great treat was afforded a large gallery at Hamilton last week, when Mr. Cyril Tolley, the famous Oxford golfer, who was the guest for the day of the President of the Hamilton Club, Col. Paul J. Myler, paired with Mr. B. L. Anderson, Secretary of The Royal Canadian Golf Association, played in an exhibition game against Messrs. F. R. Martin and A. A. Adams, the well known Hamilton golfers.

Tolley was in great driving fettle and thrilled the gallery with many spectacular shots. His approach shots, however, and putting were not up to his best form. Mr. Anderson was a very useful partner, but both Hamiltonians were playing a particularly good game and eventually won a most interesting match by 2 up.

Col. Myler, who umpired the match, sends the Editor the following official distances of some of Tolley's mighty "swats": No. 1, 280 yards; No. 2, 295 yards; No. 3, 280 yards; No. 4, 240 yards; No. 9, 260 yards; No. 11, 300 yards; No. 12, 300 yards; No. 14, 275 yards; No. 15, 295 yards; No. 17, 275 yards; No. 18, 310 yards.

It will be seen by the above table that Tolley had three drives of 300 yards and over, and two of 295 yards. And course conditions at Ancaster were not by any means, too favourable for long driving as a result of recent rains. These official figures conclusively prove that the famous Britisher can almost consistently drive well up to 300 yards, and sometimes more.

Mr. Adams, who recently won the Hamilton District Championship, had the best medal round of the afternoon. He was out in a masterly 36 and home with a 39 for a 75. Mr. Tolley was out in 38 and home in 39 for a 77. Mr. Adams' most excellent card:

Out . . . 4,4,4, 5,4,4, 5,2,4—36      In . . . 4,5,5, 4,4,5, 4,4,4—39—75

Consistently good golf, that.

## LADIES GOLF AND TENNIS CLUB

Charming Property Secured Near Toronto Where the Ladies will Rule Supreme—Project is Meeting with the Enthusiastic Support of the Lady Players of Toronto and Ontario

(By Miss Ada Mackenzie).

THE formation of The Ladies' Golf and Tennis Club, of Toronto, has been received with much enthusiasm by not only the women of Toronto, but by women from many outside points, even from as far as Ottawa memberships have been received. The idea of forming such a club originated some years ago when I was in England. Realizing the opportunities that were open to English girls to enjoy the game and learn it from childhood up, it occurred

The Beautiful Residence on the Property which will make an Admirable Club House.

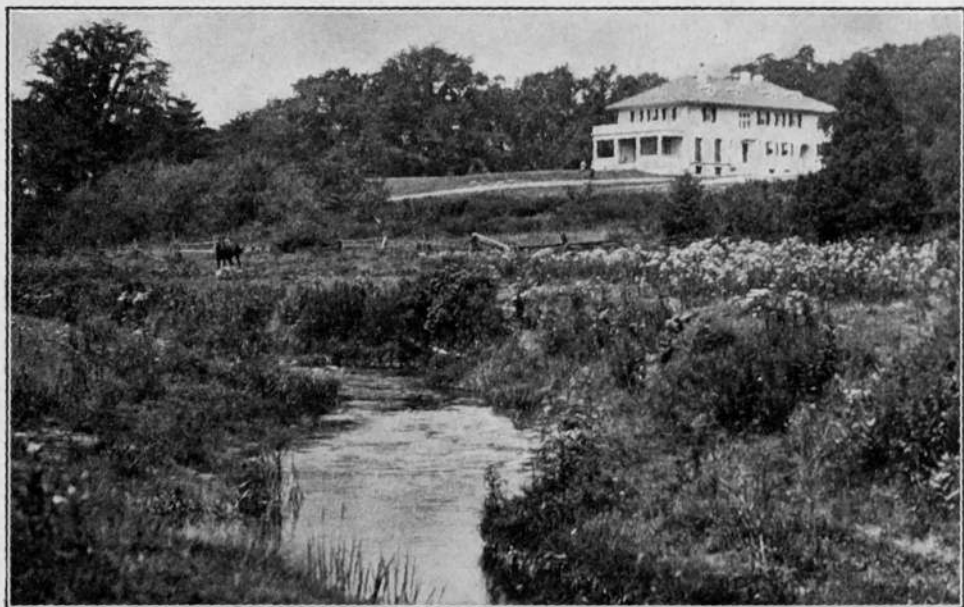

to me that such a club as we have now formed would give our girls a better chance, as in the large cities of Canada the clubs for golf and tennis do not encourage women or juniors. Restrictions as to days and hours creep in to the rules as soon as a club becomes popular, and with high fees added to the shortness of our season it is little wonder that we find it difficult to hold our own in these lines of sports, which are universally popular for both young and old. While at the Buffalo Invitation Tournament, the American girls of 13 and 14 years of age playing championship golf, made me envious for the Canadian girl of the same age, who seldom if ever is seen in Canadian matches.

Children (boys or girls), under junior membership age may learn to play at this new club if accompanied by a member. The business girl, teacher or parent can at their leisure make use of this club and spend delightful week ends when desired.

An ideal property has been chosen within easy access of the city with a private residence only completed in 1923, up-to-date in every respect and ready for our immediate use. Directors and would-be members that have inspected the property and the club, cannot believe that our many desires and requirements could so admirably be filled. The beauty of the house and grounds is only realized when visited, and to be able to reach the club grounds from the corner of King and Yonge Street by street car in a little over three-quarters of an hour, is much better than we even hoped for. The club entrance is on the east

side of Yonge Street, at Thornhill, and the club house can be seen a few hundred yards in from the highway. The property of 130 acres includes farm and valley land with beautiful trees and a branch of the river Don in the valley. An ideal course of championship length without much hill climbing is being constructed. Tennis courts will be built adjacent to the club house.

Before deciding on a property the matter of finance was carefully gone into with many prominent Toronto business men, and with the support of Toronto women and men of means a bond issue is being purchased to care for the property and equipment of the club. Members must purchase one share of club stock, 300 shares of which are being sold at par for construction purposes this fall, so as to ensure golf for 1925. The annual fees are reasonable, yet cal-

culated to guard against assessments. Many applications from places outside of Toronto have already been received for stock and membership.

The management of the club house and grounds is planned more on English lines for economy and service, eliminating most of the heavy over-head expenses experienced by clubs in Canada. The course is to be constructed 18 holes complete with water system, by the firm of Stanley Thompson & Co., with myself attending to the special requirements of a C. L. G. U. par course. With the heavy work on the course once completed, it is hoped with the exception of an experienced greens' keeper, to have the upkeep work done by land girls with experience in driving tractors, etc. An excellent professional for teaching and club making (but not on salary), is being engaged.

If plans materialize as anticipated, the women of Ontario and Toronto will be the proud owners of one of the prettiest places around Toronto, with golf and tennis at their disposal, to play, and instruct their children how to enjoy two of the most popular and healthful sports known the world over. We hope to share some of our pleasure with the men, for we may introduce either husband or friend as guests to our private club.

The Toronto office of the club is Room 10, Manning Arcade, 24 King Street West, Toronto, and the tentative directors are: Lady Baillie, Mrs. D. A. Dunlap, Mrs. A. D. Miles, Mrs. Leonard Murray, Mrs. A. N. Mitchell, Mrs. A. F. Rodger, Miss Willo Gage, Miss Ada Mackenzie.

## FORMER CANADIAN OPEN CHAMPION PLAYS SENSATIONAL GOLF

**A**L. WATROUS, professional of the Highlands Country Club, Grand Rapids, Mich., broke the course record at the Sylvania Club, Toledo, playing in an exhibition match this month with Gene Sarazen, Charley Lorms and Jimmy Kenney, Sylvania professional. In the morning round of eighteen holes he had a sensational 64. He was approaching dead to the pin and took only 27 putts during the round. On the third, 495 yards, he took an eagle three, and again on the 470 yard seventh, he sank his third.

At the turn the Michigan professional was seven under par with a 31, and coming in he took 33, two under par, for a total of 64, which is five strokes better than the record held by the Sylvania professional. Watrous won the Canadian Open at Mount Bruno in 1922, but it is safe to say that he has never played so brilliantly as he did at Sylvania. From the start he was the object of all eyes, and his remarkable shots were lavishly applauded.

The Sylvania par is:

Out .. 5,3,5, 4,4,5, 5,3,4=38      In .. 3,4,4, 4,3,5, 5,3,4=35=73

Watrous:

Out .. 4,3,3, 3,4,4, 3,3,4=31      In ... 3,4,4, 4,2,5, 4,3,4=33=64

This is believed to be a new state record and it will also stand well in the list of low scores made on championship courses, among which the most remarkable are George Duncan's 56 at Lucerne in 1913, and Walter Hagen's 62 at Belleair, Fla., in 1923.

## YOUTH MUST BE SERVED

Donald McKay, a Sarnia Junior, Wins the Club Championship by  
Brilliant Golf

**A**NEW champion has arisen in the Sarnia Golf Club. Donald McKay, son of S. L. McKay, a boy still in his teens, went through to the finals and triumphed over Ross Hayes, a recent graduate from the junior ranks, in a gruelling 36-hole final match by a brilliant birdie 3 on the final hole. For a club the size of Sarnia it might be creditably mentioned that it took 86 or better to get in the first 16, or championship flight. The first draw brought the former champion, J. M. Hunt, and Don McKay together. The youth disposed of the veteran with a brilliant finish. Being down dormie two he proceeded to take the seventeenth and eighteenth while Hunt was taking three putts on the greens; and then to win out on the nineteenth hole. After that McKay had no trouble on his way to the finals. In the lower bracket the feature match was provided by Ross Hayes and W. A. Watson, who was runner-up in last

year's championship. The youthful Hayes had the veteran Watson 3 down with 5 to go, only to end the 18 all square. Again you've triumphed and Hayes won out on the twenty-second hole.

The finals, McKay-Hayes, was a beautiful match. At the end of the first nine Hayes was 1 up; at the 18th all square. Again at the end of the 27th in the afternoon Hayes was 1 up and stayed that way till the 34th hole, where the match was squared. They went to the last hole all square. McKay's drive was a bad one into a sand trap. Hayes' drive was well placed and the match looked to be over, but McKay pulled a wonderful recovery and was on in his second and ran down an eight foot putt for a birdie 3 and the championship.

W. J. Constable won Class B championship, winning in the finals from Bert Crouchman by 1 up.

## AGAIN CAPTURES LADIES' OPEN

Miss Glenna Collett, of Providence, R. I., Repeats in the Canadian Open Event; Plays Superlative Golf to Once Again Become the Queen of Canadian Golf—Miss Mackenzie, of Mississauga, Runner-up—Mrs. H. Hutchings, of Winnipeg, with a 78, Leads the Champion by Three Strokes in the Qualifying Round—Hamilton's Beautiful Course the Scene of a Record Championship

GOLFING history was made at Ancaster last month when the Ladies Open Championship of Canada was decided over the beautiful course of the Hamilton Golf and Country Club. In the first place, for the first time in three years the gallery had the pleasure of seeing in the final a Canadian player. In 1922, at Toronto, the States represented by Miss Alexa Stirling, and Great Britain, represented by Mrs. W. A. Gavin, fought it out. Again in 1923, the same conditions prevailed at Mount Bruno, Montreal, Mrs. Gavin losing her title to Miss Glenna Collett of Providence, Rhode Island.

In the second place, the golf played at Ancaster was infinitely superior to anything previously seen at a Canadian Ladies Championship. At Hamilton in 1920, Miss Ada Mackenzie of Mississauga, with an 86, lead the field in the qualifying round. Last month Mrs. H. G. Hutchings of Winnipeg headed the list with a 78 or 8 strokes better, although the ladies were playing from the back of tees which they did not do in 1920, and the Hamilton course has also been stiffened up a great deal with additional traps and bunkers the past two years. In 1920 cards of 101 qualified for the Championship. At Ancaster, scores of 97 were required to qualify. During the Championship matches, too, several of the entrants broke into the seventies. By large and small, the 1924 golf was easily 6 to 8 strokes better than the Championship golf of 1920 and that is certainly a delightful feature to record. The standard of women's golf today in the States and Canada is immeasurably higher than it was four years ago. In fact, it is a question it has not advanced to a greater extent than in the case of the men players.

To reach the finals, Miss Collett, of Providence, R. I., the ultimate winner of the Championship, accounted for Miss Evelyn Mills of York Downs, 2

and 1; Miss Priscilla Maxwell of Rockville, Conn., 2 and 1; Mrs. S. Louis Reinhardt of Chicago, 5 and 4; and Mrs. Hope Gibson, Hamilton, 6 and 4. It will be noticed that the last two days she was defeating her opponents by ever widening margins. Miss Mackenzie, on her way to the finals, accounted for her old rival, Miss Kate Robertson of Beaconsfield, 3 and 2; Mrs. M. K. Rowe, Toronto, 4 and 3;

NORTH ST., AT DELEWARE AVE.  
BUFFALO, N. Y.

Mrs. H. D. Sterrett of Hutchinson, Kansas, 2 up; and Mrs. H. G. Hutchings, Winnipeg, also by 2 up.

In the final, Miss Collett was at the top of her game whereas in the 18-hole morning round Miss Mackenzie played her poorest golf of the whole week. In the afternoon, however, under most adverse weather conditions, she made a plucky attempt to avert an early defeat and managed to keep the game alive until the 27th green—a plucky performance indeed considering that she was 8 down in the morning round.

There is no question that Miss Collett is to-day one of the world's greatest women golfers. She gets a long ball off the tee but it is in her shots to the pin where she excels. Very few of the best men players, either amateur or professional are better at this shot than is Miss Collett. And therein is a lesson for Canadian women players. Ranking golfers nowadays don't play to the green. They play to the pin. Miss Collett has learned this lesson

well. Throughout the week she was time and again not putting for par fours or fives but "birdie" three and fours. The play to the pin is the thing. The leading professionals at the Canadian Open at Mount Bruno demonstrated that. Miss Collett, at Ancaster also brought that lesson home. Incidentally she is the only player, woman or man, in the United States and Canada who has this season retained a Championship. Every other Champion except the Lady Champion of Canada has been deposed, and on her wonderful play at Ancaster she richly deserves this unique honor. She was easily the outstanding player of an outstanding field. Rather odd, but in Great Britain also the only 'champion to "repeat" is a woman player, Miss Joyce Wethered, this month having again won the English Close Championship.

There are probably half a dozen women golfers in the States in the same class or almost in the same class as Miss Collett. It would therefore appear that the Canadian women players are still some strokes back of the leaders in the U. S. However, every year they are lessening the lead and they will continue to lessen it, especially if encouragement is more generally extended to the younger players. In the States, girls of 13 and 14 years of age are given every opportunity to take up with the game and it is from their ranks that the Colletts and Cummings are developed.

Some very good American players were eliminated at Ancaster, notably Mrs. F. C. Letts of Chicago, who was defeated by Mrs. Hope Gibson by the substantial margin of 5 and 4. Mrs. Letts sprang into fame in 1921 when she defeated the great Cecil Leitch in the U.S. National Championship. She has also figured prominently in the Women's Western Championship, winning that important event three times—in 1916, 1917 and 1920. It was certainly a feather in the golfing cap of the Ontario Champion to account so decisively for such a renowned player.

There were 74 entries at Ancaster as compared with 52 at Mount Bruno

There was a very formidable "American invasion" at Ancaster, 25 players in all, and no fewer than 12 U. S. players, it will be noticed, were in the Championship Flight. Toronto had 9 representatives; Hamilton 4; London 2; Montreal, Ottawa, Winnipeg, Brantford and Paris 1 each.

The draw showed in the upper bracket such favourites for the Championship as Mrs. Hutchings, Miss Ada Mackenzie and Mrs. Mulqueen, and in the lower bracket Miss Collett, Mrs. F. C. Letts and Mrs. Hope Gibson, so interesting semi-finals and final were absolutely assured, and also good matches throughout the draw. And as events subsequently proved, the week's play was quite above the ordinary, and large galleries every day were treated to an exhibition of really high-class golf. And this is how the battle of the leading lady players of the Continent resulted at Ancaster the fair, on Tuesday, Wednesday, Thursday and Friday:

Miss Ada Mackenzie, Mississauga, defeated Miss Kate Robertson, Beaconsfield, 3 and 2.  
Mrs. M. K. Rowe, Toronto, defeated Mrs. A. P. Burritt, Toronto, 4 and 3.

Mrs. Stewart Hanley, Detroit, defeated Mrs. J. W. Taylor, Evanston, Ill., 1 up.

Miss Ada Mackenzie, Mississauga, defeated Mrs. H. D. Sterrett, Hutchinson, Kansas, 2 up.

Mrs. Hope Gibson, Hamilton, defeated Mrs. F. C. Letts, Jr., Lake Forest, Ill., 5 and 4.

Miss Glenna Collett, Providence, R. I., defeated Mrs. S. Louis Reinhardt, Chicago, 5 and 4.

Semi-Finals:

Miss Ada Mackenzie, Mississauga, defeated Mrs. H. G. Hutchings, Winnipeg, 2 up.

Miss Glenna Collett, Providence, R. I., defeated Mrs. Hope Gibson, Hamilton, 6 and 4.

It will be noticed that most of the matches were won by rather wide margins. In the second round, however, there was a particularly close contest between Mrs. Mulqueen and her club mate, Mrs. W. A. Whittington,

which was not decided in the former's favour until the 20th green. In the third round too, Miss Ada Mackenzie had to fight doggedly all the way to register a 2 up victory over Mrs. Sterrett, of Kansas.

In the semi-finals too, Miss Mackenzie had a most stubborn contest with the winner of the Qualifying Round, and it was not until the 17th hole had been played that she was for the first time out in front. Mrs. Hutchings was 1 up going to the tricky short 16th. Both found the right hand trap just off the green, and it was a superb chip-up shot dead to the pin that won the hole for Miss Mackenzie and squared the match. The Mississauga took the long 17th with a 6 to a 7 and on the 18th put a magnificent second shot on the green, hole-high, and deservedly won her right to go into the final.

In the other semi-final Miss Collett led at the 9th 2 up. She won the 10th. The long dog-leg 11th was halved in "birdie" fours, but the Champion again forged to the front at the 12th with a par 4. A birdie 3 at the 13th made Miss Collett dormie 5 and the match ended at the 14th, Miss Collett registering a 6 and 4 victory. She played beautiful golf. She was out in 38 and had an 18—a 3, 4, 4, 3, 4 for the five holes played coming in. Giving her another 18 for the remaining four holes and the game she was playing would easily have permitted her to do this or even better, and we get a medal score of 74 for the 18 holes. Up against such super-golf Mrs. Hope Gibson, it will be admitted, was not by any means disgraced by the showing she made. Very few of the best men players could have beaten Miss Collett that memorable Friday afternoon at Ancaster.

Miss Collett played superb golf on Friday, but Saturday morning in the final against Miss Ada Mackenzie, she equalled or even excelled her previous afternoon's game. Out in 36 and home in 40 for a 76, or 3 under the ladies' par of the Ancaster course, it was perhaps not to be wondered at that the ex-Canadian and ex-Ontario Champion,

who by the way was not having any of the breaks of the game, found herself at the end of the morning's play in the well-nigh hopeless position of being 8 down. The Champion was driving a long ball and was following up her woods with beautiful iron shots right on the pin. It was a superb exhibition of women's golf, never equalled before on a Canadian course.

After lunch under unfavourable weather conditions the unequal struggle was resumed. Miss Collett promptly won the 19th. Then Miss Mackenzie, in the pluckiest kind of a manner proceeded to halve the 20th and 21st and win the 22nd and 23rd in par figures. The next two holes were halved with a birdie and par 4. Miss Collett, however, came back at the 26th and 27th and was in the comfortable position of being dormie. The Championship ended on the 28th, Miss Collett winning the coveted title (for the second time in succession), by the commanding margin of 9 and 8.

An analysis of the play shows that Miss Collett played six holes in one over par; nine holes in par and on thirteen holes had birdies—which is uncanny golf. Miss Mackenzie was twice 2 over par, six times 1 over par, had fifteen holes in par and five birdies. A good enough game to win from most women players, but not against such golf as played by Miss Collett.

In the mornnig round Miss Collett's medal score was 77 and Miss Mackenzie's, 86. In the ten holes played in the afternoon Miss Collett had a 43 and Miss Mackenzie 44. So it will be seen that the Canadian was playing right up to her great rival in the last stage of the championship. Miss Collett's morning round of 77 was compiled as follows:

Out ..... 564, 744, 434—41  
In ..... 544, 344, 354—36—77

Miss Collett's one bad hole was the long 4th where she took a 7. She also had an indifferent 6 at the 2nd, otherwise her golf was well nigh perfect, especially on the homeward journey.

In addition to the Championship, there was a Championship Consolation. A first flight a second flight and third flight. The following qualified for these four events:

**Championship Consolation:**

Miss Kate Robertson, Beaconsfield; Mrs. W. A. Gallie, Rosedale; Mrs. M. Graydon, London; Mrs. H. M. Bostwick, Hamilton; Mrs. R. Murdoch, Humber Valley; Miss Edythe Brownlee, Rivermead; Miss Madge Miller, Detroit; Miss Violet Mills, Hamilton; Mrs. J. F. Wadsworth, Erie, Pa.; Mrs. Hume Wrong, Toronto; Mrs. J. W. Taylor, Evanston, Ill.; Mrs. A. P. Burritt, Toronto; Miss Dorothy Thomson, Paris; Mrs. Harwood, Chicago, Ill.; Mrs. A. A. Werlich, Brantford; Miss Evelyn Mills, York Downs.

**First Flight:**

Mrs. T. J. Agar, Mississauga; Mrs. B. L. Symmes, Mississauga; Mrs. A. J. Northway Lambton; Mrs. E. R. Allison, Lambton; Miss C. E. Bosworth, Chislehurst, Eng.; Mrs. Lloyd Bissell, Niagara Falls; Miss Louise MacDonald, Toronto; Mrs. C. M. Daniels, Buffalo; Mrs. J. L. Counsell, Hamilton; Mrs. M. L. R. Spaulding, Buffalo; Mrs. Lucy Forsythe, Lakeview; Miss Constance Bird, Toronto; Miss A. L. Beadestone, Long Island; Mrs. J. G. Ridout, Lambton; Miss Hazel Shannon, Niagara Falls; Miss Grace Morrison, Hamilton.

**Second Flight:**

Mrs. Edwin Crockett, Rosedale; Miss Willo Gage, Lambton; Miss M. Elmsley, Toronto; Miss Harriett Ellison, Boston; Miss Margaret Walsh, Toronto; Miss Mae O'Gorman, Providence; Mrs. E. E. Martin, Toronto; Mrs. E. E. Henderson, Hamilton; Mrs. H. M. McMaster, Schenectady, N.Y.; Miss Jane McFarlane, Hamilton; Miss Alice D. Clifton, Buffalo; Miss K. Christie, Lambton; Mrs. I. Brydges, Winnipeg; Mrs. A. F. Rodger, Lambton; Mrs. S. Jones, Toronto; Miss H. Reid, Rosedale.

**Third Flight:**

Mrs. A. D. Miles, Rosedale; Miss D. McDonald, Hamilton; Miss Freda Gibbs, Grimsby; Mrs. Chas. Thompson, Herkimer, N.Y.; Mrs. W. E. Phillips, Oshawa; Mrs. R. U. Rose, Niagara Falls; Mrs. J. J. Ashworth, Toronto; Mrs. E. J. Northwood, Scarboro.

Many intensely interesting matches were slated in these various events. In the Championship Consolation in the semi-finals Miss Kate Robertson, Beaconsfield, Montreal, defeated Miss Violet Mills, Hamilton, 3 and 2 and Mrs. Harwood, Chicago, defeated Mrs. J. W. Taylor, Evanston, Ill., 6 and 5. In the final Miss Kate Robertson of Beaconsfield, Montreal, twice runner-up in the Canadian Amateur, defeated Mrs. Harwood, Chicago, 4 and 3. Miss Robertson played exceptionally good golf to win the Consolation.

In the final of the First Flight, Miss A. L. Beadestone of Long Island had to play a fine game to eliminate Mrs.

Miss Ada Mackenzie, Mississauga Golf Club, Toronto, Runner-up.

B. L. Symmes of Mississauga, 4 up. The Second Flight was won by Miss H. Ellison of Boston, Miss A. D. Clifton, of Buffalo, defaulting. The winner of the Third Flight was the well

known Oshawa player Mrs. W. E. Phillips, who accounted in the final for Miss Doris MacDonald of Hamilton, 5 and 3.

To Miss Evelyn Mills of York Downs, Toronto, goes the honour of winning the Driving Competition with the quite remarkable tally of 689 yards for three drives. Mrs. M. Graydon of the London Hunt won the individual long drive with a regular feminine Tolley swat of 241 yards. The official prize list of the Championship will be found on page 513 of this issue.

The following are the winners of the Championship which has now been competed for 19 times:

1901—Miss L. Young defeated Miss M. Thomson at Montreal, 2 and 1.

1902—Miss M. Thomson defeated Mrs. Dick at Toronto, 8 and 7.

1903—Miss F. Harvey defeated Miss E. Marler at Montreal, 2 and 1.

1904—Miss F. Harvey defeated Miss McAnulty at Toronto, 3 and 1.

1905—Miss M. Thomson defeated Miss L. Young at Montreal, 3 and 2.

1906—Miss M. Thomson defeated Miss Phepoe at Toronto at the 21st hole.

1907—Miss M. Thomson defeated Miss Dick at Ottawa 2 up.

1908—Miss M. Thomson defeated Mrs. C. Mussen at Lambton, 4 and 2.

1909—Miss V. Henry Anderson defeated Mrs. C. Mussen at Montreal, 5 and 4.

1910—Miss Dorothy Campbell defeated Miss V. Henry Anderson at Toronto, 2 and 1.

1911—Miss Dorothy Campbell defeated Miss F. Harvey at Ottawa, 7 and 5.

1912—Miss Dorothy Campbell defeated Mrs. Blight at Toronto, 5 and 4.

1913—Miss M. Dodd (Mrs. Macbeth), defeated Miss F. Harvey at Montreal, 7 and 6.

1914-1918—No championships owing to the Great War.

1919—Miss Ada Mackenzie defeated Miss Kate Robertson at Montreal at 19th hole.

1920—Miss Alexa Stirling defeated Miss Kate Robertson at Hamilton, 5 and 3.

1921—Miss Cecil Leitch defeated Miss Molly McBride at Ottawa, 17 and 15.

1922—Mrs. W. A. Gavin defeated Miss Alexa Stirling at Toronto, 2 up.

1923—Miss Glenna Collett defeated Mrs. W. A. Gavin at Montreal, 2 and 1.

1924—Miss Glenna Collett defeated Miss Ada Mackenzie at Hamilton 9 and 8.

Miss Mabel Thomson of St. John, it will be noticed, in the nineties won the championship no fewer than 5 times. She is still playing good golf in the Maritimes but for some years has not competed for premier honours.

Miss Dorothy Campbell, (Mrs. Hurd), who recently won the U. S. Championship was the Canadian champion three years in succession. Miss Florence Harvey, formerly of Hamilton, now residing in Natal, South Africa, won it twice as now also has Miss Collett. The Championship has been won 9 times by Canadian-born; 7 times by Britishers and 3 times by Americans.

For the first time the Open Championship was conducted at Ancaster by Mrs. Leonard Murray, the energetic president of the Canadian Ladies' Golf Union and her capable Executive. Heretofore the officials of The Royal Canadian Golf Association have been in charge of the fixture. In Great Britain the Ladies Golf Union supervises the Women's Championships and the "Canadian Golfer" has always been strongly of the opinion that here, too, the ladies should have charge of their own events. The Open last month at Ancaster is the answer to the critics who claimed that the ladies were not competent to control and conduct such an important fixture as the Open Championship of Canada. The event, this year, from start to finish, was run off in a most admirable manner. There was never a delay, never a hitch. The Championship of 1924 created a record as regards play — created a record as regards executive administration.

The C. L. G. U. (under the fostering wing of the R. C. G. A.), has proved beyond the peradventure of a doubt, that it is thoroughly equipped to conduct both the Close and Open Championships of Canada.

The Ancaster course of the Hamilton Golf and Country Club, provided an ideal setting for this major ladies' event of the Canadian golfing season. The greens and fairways were in perfect condition; weather conditions almost throughout the Tournament were ideal, whilst the hospitality of Col. Paul J. Myler, President, and his directors and members as usual was unbounded. During the week the participants in the Championship were the guests at many social affairs.

At the conclusion of the Championship final on Saturday afternoon, the

presentation of the many handsome prizes took place on the verandah of the Club House. Those taking part in the presentation were Mrs. Leonard H. Murray, President of the C.L.G.U. Mr. S. B. Gundy, President of the

R.C.G.A. and Col. Myler, President of the Hamilton Golf and Country Club. Miss Collett, the Champion, Miss Mackenzie, the runner-up and the winners of the other various events, all came in for hearty applause.

Nicol Thompson, the popular professional of the Hamilton Club, the staff of the Club House and the officials generally, throughout the week were untiring in their efforts for the comfort and enjoyment of the entrants and the large galleries which followed the matches. The U.S. players were especially most enthusiastic about the course and the admirable manner in which all the details of the Championship were carried out.

## CHAMPION OF HAMILTON

Mr. A. A. Adams, Captain of the Hamilton Golf and Country Club, with a Fine Card of 76, Wins from a Classy Field of Over 100 Entrants

PLAYING the Glendale course in 76, only 4 over par, Mr. A. A. Adams, captain of the Hamilton Golf and Country Club, won the Hamilton District championship from a field of over one hundred members of the Glendale, Hamilton, Burlington and Chedoke clubs. His victory was a most popular one as he has for many years now been an outstanding figure in Ontario golfdom and has done much very much, to popularize the game in the Hamilton district. Mr. John Lewis (Brantford and Hamilton) last year's champion, owing to business engagements, was unable to defend his title a circumstance very much regretted.

Mr. Adams played sterling golf to lead the pack. He was six strokes ahead of his nearest competitors, Messrs. A. Dorman (Chedoke), runner up in the Ontario Championship, J. Fullerton, (Chedoke), and Dr. Bruce Sutherland, (Burlington), all of whom had cards of 82. He was driving a long ball and approaching and putting in a very finished manner. He is this season possibly playing the best game in his quite notable golfing career, which started in Simcoe some two decades ago.

C. B. Martin, Hamilton Club, was low man for nett score honors with 69. M. V. McLean was second with 70, whilst tied for 3rd and 4th places were J. Moodie, Hamilton; W. T. Dunmore and Dr. R. P. Smith, Glendale, who had scores of 71.

Gross scores and handicaps for these five players were:

C. B. Martin, Hamilton—Gross 91, handicap 22, nett 69.

M. V. McLean, Chedoke—Gross 90, handicap 20, nett 70.

J. Moodie, Hamilton—Gross 86, handicap 15, nett 71.

Dr. R. P. Smith, Glendale—Gross 91, handicap 20, nett 71.

W. T. Dunmore, Glendale—Gross 89, handicap 18, nett 71.

The course was in splendid condition and much credit is due the officers of

the Glendale club for the manner in which the tournament was run off, there being practically no delay to speak of, in spite of the large entry list.

A Popular Win. Mr. A. A. Adams, Captain of the Hamilton Golf and Country Club, 1924 Champion of Hamilton and District.

“Jimmy” Kinnear the Glendale pro, acted as starter and aided very materially in the success of the affair.

In the sweepstake event there were ninety entries. Four and a half dozen balls were distributed to the following winners:

C. B. Martin, Ancaster, 69, 12 balls;

M. V. McLean, Chedoke, 70, 6 balls;

W. T. Dunmore, Glendale, 71, 5 balls;

James Moodie, Ancaster, 71, 5 balls;

Dr. R. P. Smith, Glendale, 71, 5 balls;

Dr. Thomas Morrison, Ancaster, 72, 4

balls; J. Fullerton, Chedoke, 72, 4

balls; A. J. George, Chedoke, 73, 3

balls; D. A. Wilson, Glendale, 73, 3

balls; A. A. Adams, Ancaster, 73, 3 balls; Dr. B. C. Sutherland, Burlington, 74, 2 balls; A. Dorman, Chedoke, 74, 2 balls.

In conjunction with the regular matches for the city championship, a feature was added in the form of a four-ball match between the local professionals for 18 holes medal play, the prize being a wrist-watch, donated for the event by a prominent lady player of the Hamilton club, Mrs. F. F. Dalley, and which was won by Nicol Thompson, of that club, with a score of 78 to Jimmy Kinnear's 79.

A summary of the play between the professionals, shows that Thompson had par or better on ten holes, Kinnear on eleven, Anderson 6 and Sims 3, divided as follows:

| Players  | Eagle | Birdie | Par. |
|----------|-------|--------|------|
| Thompson | 1     | 2      | 7    |
| Kinnear  | 1     | 0      | 10   |
| Anderson | 0     | 1      | 5    |
| Sims     | 0     | 0      | 3    |

The Thompson-Kinnear cards:

|               |     |     |     |     |
|---------------|-----|-----|-----|-----|
| Thompson, out | 544 | 445 | 444 | —38 |
| In            | 565 | 533 | 247 | —40 |
| Kinnear, out  | 544 | 346 | 545 | —40 |
| In            | 655 | 423 | 464 | —39 |

Altogether a thoroughly enjoyable and successful tournament in every respect. Glendale officials and members

## UNIQUE OBSTRUCTION COMPETITION

Is Successfully Staged by the Brantford Golf and Country Club

THE Brantford Golf and Country Club had a particularly successful "Obstacle Golf Competition" on October 15th, which provoked great fun and any amount of interest. And the following was the way the 18 holes were played:

No. 1.—Stand on box, use rubber tee (3 ft. high), drive with driver and complete hole regular golf.

No. 2.—Drive with putter, putt with driver.

Nos. 3, 4 and 5.—Straight golf, play for flag.

No. 6.—Pitch into barrel.

No. 7.—Straight golf.

No. 8.—Irish golf: Drive with putter, play all shots through the fairway with mashie; approach with brassie; putt with driver.

No. 9.—Use putter for all shots.

No. 10.—Straight golf.

No. 11.—Drive with putter, then play with any other club to get over tennis nets guarding the green.

Nos. 12, 13, 14 and 15.—Straight golf.

No. 16.—Use putter for all shots.

No. 17.—Straight golf.

No. 18.—Irish Golf: Same as Number 8.

The barrel at the sixth hole was particularly the ruination of many a score. On the 18th hole the green was plentifully besprinkled with tiles and other junk, and the putting here with a driver provided great amusement for quite a large gallery, which was waiting for the players to come in.

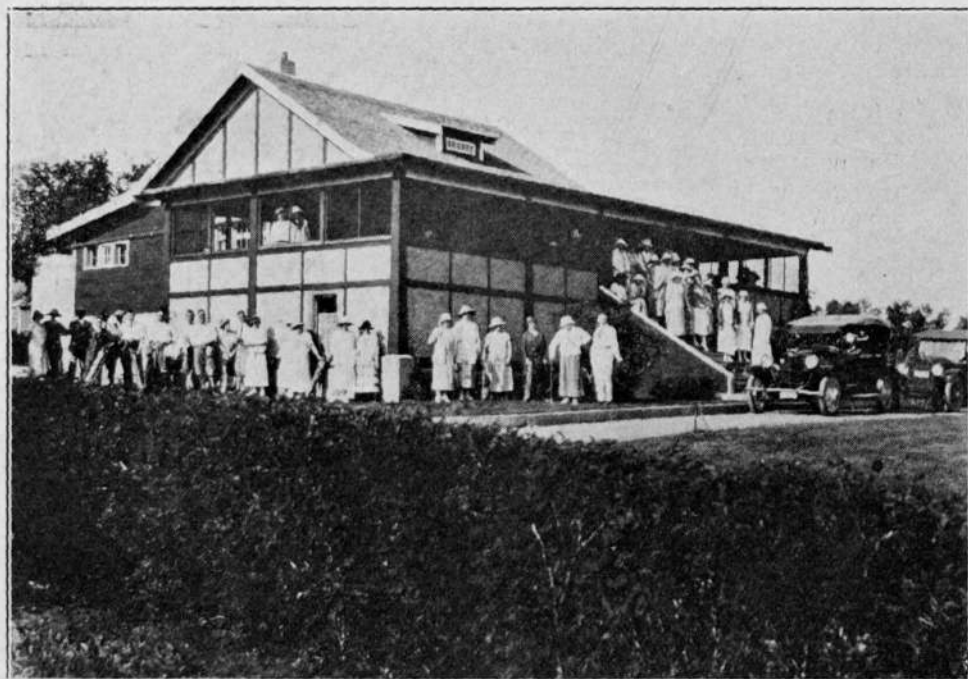

The ultimate winners of this really most comical competition were: Norman Sheppard, 86; best nett, Dr. Earl Smith, 73. Courtney Coulter won the first hidden hole prize with a 4 at No. 2, and Bruce Gordon won the second with a 4 at the particularly well-bunkered 18th hole. Afterwards a most successful dinner was held at which the chief speaker was Dr. Knowles (introduced by Judge Hardy), who made a clever, characteristic speech. Other speakers were Mr. D. S. Large, of the Rotary Club; Kiwanis Club, J. A. Waddell, and Brantford Club, C. J. Watt, all of whom were in capital vein.

Mr. A. W. Kay has again annexed the Mitchell cup and the club championship. In the final game he defeated Mr. A. G. Buckingham over a 36 hole match 6 up and 4 to go. The loser played an uphill game, being five down at the end of the first 18 holes, but holding his own in the second half of the match.

Mr. Pilling won from Mr. Cordingley 4 and 2 in his last match in the Cole cup and his victory made him the possessor of the Cole cup for the season 1924. In the final round of the event there were 13 competitors each having to play the other a match, and

## MISS JOYCE WETHERED REPEATS

IT is rather an odd coincidence that the only 1924 champions to repeat are two lady players—Miss Joyce Wethered and Miss Glenna Collett, the former retaining the British Ladies' Close Championship and the latter the Canadian Open. Miss Joyce Wethered on her record must be classed as the world's leading lady player. In winning the British Women's Close Championship this month at Cooden Beach for the fifth time in succession, she creates a record never before approached by any golfer, man or woman. All through the Championship she demonstrated that she is absolutely in a class by herself, the only player to give her a game at all being Miss Cecil Leitch, and even this remarkable player was defeated by the substantial margin of 4 and 3. Miss Wethered, besides the five times winning of the British Close Championship is also this year the British Open Champion, which, too, she won in 1922, and has other lesser championships and competitions by the score to her credit. Miss Wethered comes of a very high-class county family, all keen golfers and all-round sportsmen and sports-women. Her brother is the Oxford star, Mr. Roger Wethered, the 1923 British Amateur and by the way, this is the first time in the history of golf that a brother and sister have ever won two major championships. Miss

Wethered is only 23 and has therefore her best golfing years still ahead of her. She has been dubbed "the Harry Vardon of Women's golf," she having an upright swing and style very much like the great master. She has more than half promised to come to Canada and the United States next year in quest of fresh golfing fields to conquer.

Miss Joyce Wethered, Who for the Fifth Time in Succession, Wins British Ladies Close Championship.

## A NATIONAL ASSET

AS the greatest transportation company in the world, the Canadian Pacific Railway has maintained a national service in the Trans-Canada Limited which is second to none and on the conclusion of the summer schedule of this crack train has transferred the equipment to the

Vancouver Express which leave Toronto every night at 10.10 p.m. on its trip across the continent, via Winnipeg, Calgary, Banff, Lake Louise, the spiral tunnel, Sicamous and parts of the Canadian Pacific Rockies famous throughout the world, on its way to Vancouver, where the travellers are

unanimous in their praise of the service of the Vancouver Hotel. The Canadian Pacific also operates a steamship service to Victoria, the Mecca for winter tourists.

Not only does the Vancouver Express carry tourist and standard sleepers, but it also carries a compartment-observation car complete in itself while a parlor car is added from Revelstoke to Vancouver.

Added to this national service is a feature service from Toronto to Montreal via the Lake Shore Line, which has been entirely reballasted with crushed rock and relaid with 100 pound rails, insuring a maximum of comfort for travellers at night as well as an absence of dust in daytime.

Trains leave Toronto Union Station at 9.00 a.m. daily, 10.00 p.m. daily except Saturday, and 11.00 p.m. daily. Arriving at Windsor Station, the traveller has the benefit of immediate facilities in the women's rest room, lunch room and barber shop which cannot be duplicated in any other station in Montreal. An added convenience is offered those who wish to travel to Montreal from North Toronto in the 9.45 p.m. train, daily except Saturdays, from Yonge Street Station.

Canadian Pacific agents will gladly make your reservations and supply you with any information you require. They are fully qualified to offer a "second to none" service to the public.

## MILES COMES INTO HIS OWN

Classy Mississauga Professional Wins the George Cumming Invitation Tournament at the Toronto Club—James Martin, of Lambton, Heads the Assistants

**D**ISPLAYING his best game since his arrival in Canada and a game quite capable of when he has time to practice, Arthur Miles, professional of the Mississauga Club, led the field in the 36-hole invitation tournament for the benefit of George Cumming the popular Toronto professional, at the Toronto Golf Club, Oct. 8th, with a total of 147, but he was closely followed by Andrew Kay, of Lambton, who was only two strokes behind. In the morning Miles had a lead of two strokes on Nicol Thompson, of Hamilton, who was a stroke in front of Kay and Arthur Linfield, of Weston. Frank Murchie, of Humber Valley, with 78, and Willie Freeman, the Ontario champion, with 79, were the only other players to break 80 in the morning round, while Miles, Kay, Murchie Bob Cunningham, of Kingston and C. H. Perkins, of Brantford, were in the select circle in the afternoon.

Kay had the best round of the day with a 72 in the afternoon, which equalled the record set by Willie Freeman, of York Downs, last June, when he won the provincial title, while Miles

had a 74 in the morning and a 73 in the afternoon. Miles' card for the two rounds was as follows:

Morning—

Out . . . . 544 454 345—38

In . . . . 444 534 444—36—74

Afternoon—

Out . . . . 445 453 344—36

In . . . . 454 534 534—37—73—147

The Assistant's prize was won by James Martin of Lambton with 160, Wm. Lamb, of Toronto, being in second place with 164. The tournament was held under ideal weather conditions and was thoroughly enjoyed by all the participants. The scores:

## IN AND ROUND THE CLUB HOUSE

Interesting Happenings on the Courses of Canada, Great Britain and the United States.

Mr. John Lewis for the second time last month won the Championship of the Brantford Golf and Country Club, once again defeating in the finals Mr. E. C. Gould. The weather conditions were anything but favourable for good scoring, but Mr. Lewis played fine golf, especially in the second 18-hole round in the afternoon, when he put on a 37 and a 36 for a well-balanced 73. He defeated his opponent 4 and 3.

Mr. C. G. Murphy, of Medicine Hat, writes:

"Pleased to say that the Municipal Club, so far has enjoyed another successful season. Several new players have come along fast and are going to make names for themselves in the golfing world in the very near future."

\* \* \*

Mr. F. R. Martin, twice Amateur Champion of Canada, again last month won the Championship of the Hamilton Golf and Country Club, defeating Mr. Iden Champion in the finals by 6 and 5. Mr. Martin won the Hamilton Championship in 1909 when the event was first inaugurated. Since then he has captured it no less than nine times—which surely must constitute a club championship record. There are now and have been for years, many fine players in the Hamilton Club, and to win championship honours calls for golf of the highest quality. Mr. Mar-

tin is certainly to be congratulated on his remarkable achievement.

The Motor Union Insurance Company, Ltd., with chief office for Canada, in Toronto, announces the appointment of Mr. W. B. Robertson, A. C. I. I., as Assistant Manager for Canada. Mr. Robertson will also fill a similar position with the associated company, The United British Insurance Company, Ltd. Mr. Robertson has for some time past been Manager of the Montreal Branch of the two companies in question, and his satisfactory service at this important Branch has well merited the present important promotion. Mr. Robertson's Canadian experience also includes service with the "London Assurance Company," and with the well-known brokerage firms of Irish & Maulson, Ltd., and G. U. Price, Ltd. Prior to coming to Canada from the Old Country Mr. Robertson was with the "Caledonian," and "Liverpool & London & Globe" and the "State" Insurance Companies. Mr. Robertson's past record ensures that in his new capacity he will be a valuable asset to the "Motor Union" and the "United British," in maintaining and developing the high-grade service for which both Companies have a world-wide reputation. He will be quite an

addition to the Toronto golfing clan, as he plays a sufficiently good game to be an interesting companion on the links, whether as partner or opponent. He was formerly a member of the Outremont Golf Club, and is now a member of the Marlborough Golf Club, Montreal.

The vice-president's team defeated the president's line-up at the Catarqui Golf and Country Club, Kingston, with the close score of 13-12. The president's team was faced with the necessity of paying for the dinner to the other squadron, and it was a most enjoyable affair.

The ladies of the Riverview Golf Club, Galt, have invited the ladies of Norfolk, Brant, Waterloo and Oxford Counties to hold their Annual Tournament there in 1925 for the H. P. Long Cup. No better venue for the event could be chosen than Galt, Riverview possessing one of the finest club houses and 9-hole courses in Ontario.

In appreciation of their invaluable services during Tournament week, The Canadian Seniors' Golf Association this month forwarded to Mr. F. C. Armitage, Manager of the Toronto Golf Club a beautiful sterling silver cigarette case, and to Mrs. Armitage a handsome silver vanity and coin case. The inscription on the cigarette case reads:

*"F. C. Armitage, from The Canadian Seniors' Golf Association, as a slight token of appreciation of much interest and assistance, September 3, 4 and 5, 1924."*

Al Espinosa, of Chicago, won the first Missouri Open Golf Tournament when he finished the 72-hole medal play with a score of 288, three strokes under Jock Hutchison, also of Chicago, who had led the field Saturday with a score of 140 for 36 holes. John Farrell, of Quaker Ridge and Leo Diegel, of Chicago, with 295, tied for third place. The latter, who is the Open Champion of Canada, had the low score for one-

day play when he made the 18-hole course in 68. Emmett French, of Youngstown, O., finished fourth with 296. Eddie Held, of St. Louis, took the amateur prize with 305 for the 72 holes.

For the first time in the 13 years history of the Stratford Country Club the golfers of that city have an undisputed open champion this year in Mr. C. V. Lloyd, who recently defeated Mr. F. M. Gifford, three up and two to go, in the finals for the Turnbull Shield. Play was at 36 holes, nine being played in the morning and 27 in the afternoon. Up to this year the premier golfing trophy of the Stratford Club has been the magnificent Lloyd Cup, donated by C. V. Lloyd for annual men's handicap competition. This summer K. C. Turnbull, a member of the club, donated a silver shield for open competition and Mr. Lloyd, by winning it qualified as the first man to have his name engraved on the plate.

On match play Mr. Lloyd won, as recorded above, but it is interesting to note that on medal play they were tied with 163. Par for the nine hole course is 33 and the champion gave splendid exhibitions of golf by going around on two consecutive occasions in 38. Mr. Lloyd is one of the most popular golfers in Western Ontario. In his younger days he was a celebrated hockey player and all round athlete.

Humber Valley Golf Club, Toronto, officially brought the most successful golf season in its history to a close on Saturday, September 27th, when Mr. Ralph Connable, President, and his Board of Directors were present at a corn roast and dance. Humber Valley, however, will carry on this year throughout the winter with a program of winter sports. With this in mind, a fireplace and other improvements have been made to the building. The club intends to string lights to the street to guide members and others to the club who intend to avail themselves of the winter program, which will be

arranged by W. F. Cumming, club captain. The idea of operating the club during the winter originated with the request of the Toronto Ski Club, which asked for the use of the club for their sports. The lease of the club would not permit it to grant the request. Members of the Ski Club are being offered the opportunity of joining the Golf Club and the golfers the chance of following other sports over their course until it is opened for another season.

C. R. Blackburn won the club championship from Fred. Japp by 1 up in 36 holes. The match was as close as the final result. He had two fine holes, winning the fourth by driving the green, and the sixteenth hole, also, in the same manner. Mrs. Blackburn some days ago won the ladies' championship. It is the only club in Canada in which a husband and a wife are the best players.

Results of other matches were:

Interclub championship—Roy Bronsdon, 300; D. A. Ferguson and D. N. Morris, 301.

Club handicap—L. H. White defeated Dr. W. L. Gilbert 2 and 1.

Club handicap—L. H. White, 2 and 1.

Century handicap—J. A. Goudy defeated A. A. Wilson, 9 and 7.

R. Y. Eaton shield—J. A. Dunlop, 79—19=60. Runner-up, A. S. Goss, net 63.

The club championship and other contests which have been in progress at the Oxford Golf and Country Club, Woodstock, Ont., were concluded this month. The championship was captured by Wallace Nesbitt, while the Mutual Life shield handicap was keenly contested, and resulted in a tie between W. J. Kirkpatrick and Wallace Nesbitt. K. W. Harvey was first in the driving competition, Alex. Reiger second, and Col. Wood third. H. R. Henderson captured first place in the putting, K. W. Harvey second, and Dr. Heath third. W. J. Kirkpatrick took the highest place in the flag competition, Col. Wood second and H. R. Henderson third.

In a most interesting combined match Brantford won from Stratford 14 to 5 and Guelph 13 to 5.

A despatch from Welland, Ont.:

Welland citizens were shocked to hear of the sudden death of Horace E. Tompkins, well known here. He had been in his usual health attending to business during the day, and playing golf part of the afternoon. He was stricken with heart disease, and died before medical attendance could be secured. Mr. Tompkins was a greatly respected citizen. Born at Georgetown he resided here for 13 years and built up a large retail business, with a branch at Port Colborne.

In the finals for the Bisque Competition at the Oshawa Golf Club course Mr. C. S. Butler defeated Dr. Bascombe of Whitby. Each player is allowed a certain number of strokes for the 18-hole course, and he may take these strokes at any hole on the course. In the finals each player was awarded four strokes. Mr. Butler wins a dozen golf balls presented by the President of the Club.

As a result of the invitation extended by the century players of the Scarborough Club to members of the Rosedale and Lambton clubs for a friendly match between a combined team from Rosedale and Lambton at Scarborough, century golf is certain for the former two clubs

next season, and at the social evening after the match the Lambton players elected A. J. Thomson as captain of their century club for 1925, and the Rosedale players conferred the same honour on K. B. Maclaren. W. Inglis, one of the Lambton players, promised a cup for the Lambton Century Club. The day was a most successful one, and as a result of the match and the evening's entertainment century golf has been given a great impetus in Toronto.

Lambton won their second successive victory in the final of the Men's Mail and Empire Toronto team championship competition when they defeated Rosedale for the second year in succession, the result being 34 to 17 in favour of the holders. At home Lambton won by eleven points, the tail end of the team accounting for nine of them, while at Rosedale the visitors had a margin of six, the bottom half again being prominent. The players and results were:

Alcrest (Winnipeg), Ladies held their annual field day last month, the event being the most successful held yet in regard to attendance and weather conditions. The driving competition was held at 10.30, followed by

approaching and putting. These two events were won by Mrs. W. W. Ragland and Mrs. W. J. Lindal. Luncheon was served at 1 o'clock, followed by

Mail & Empire Cup, won for Second Time by Lambton Golf and Country Club.

the presentation of the season's prizes by the club president, Mr. W. J. Faulkner. In behalf of the Ladies' Section, Mrs. W. J. Lindal presented the Captain, Mrs. W. J. Faulkner, and the Vice-Captain, Mrs. Fred. Donaghy,

each with bouquets of chrysanthemums, showing their appreciation of the work done throughout the season. Hidden hole and one-club competitions for nine holes followed, and were won by Mrs. Anderson and Mrs. Ronnan. Four-somes closed the day's programme. Miss P. Ramsay and Mrs. C. Melvin won the event.

A despatch from Neewawa, Man.:

"Mrs. C. L. Thring won the stroke competition with a net score of 65 in the Ladies' Golf Tournament held here this week. On Wednesday afternoon sixteen contestants took part in the approach and putting competition, which was won by Mrs. A. E. Martin, with a score of eight. Mrs. P. Tod arranged the competition and donated a silver compote for the winner."

\* \* \*

Mrs. D. Allan won the Beaubler Cup at the Brandon Golf and Country Club. She went through the competition without a defeat, winning seven straight games. Miss N. Pilling was her closest competitor, with five wins and two losses.

\* \* \*

Mrs. Isaac Dobson won the ladies' 1924 club championship of Souris, Man., when she defeated Mrs. Stephen Grey. Both players are experts with the clubs, and the game, which was close and thrilling throughout, aroused considerable interest among the local golf enthusiasts.

\* \* \*

In one of the most keenly contested games of the season S. Cubbon defeated E. Guy Hetherington at the Souris (Man.) Golf Club, winning the 1924 club championship by one up. Going out Hetherington led by two holes, but Cubbon squared the match at the eleventh. Hetherington then led up to the sixteenth hole, when Cubbon won the seventeenth and Hetherington missed a fifteenth-inch putt to win the eighteenth and the local championship.

Unpropitious weather tended to mar the finals for the Manders Cup at Portage la Prairie. The contestants found it anything but congenial, consequently the scores were high. Mrs.

Lovelock secured the cup with 117. Miss Venard, 130 and Mrs. C. A. West, 136. Dull weather also prevailed in the Armstrong Cup competition. The eight contestants were those who had won their respective monthly competitions in the past season. Dr. H. J. Hassard secured first with a score of 153. The scores follow: Dr. H. J. Hassard, 75-79=153; C. A. Smith, 82-78=160; W. Alexander, 79-83=162; F. Corness, 82-85=167; A. J. Maynard, 95-74=169; H. S. Brown, 88-89=177; W. J. Bower, 86-93=179; S. M. MacDonald, 84-98=182.

Winnipeg doctors completed a most interesting four ball competition recently when Drs. Adamson and Mann defeated Drs. Ainley and Groves in a closely contested final at the Bird's Hill course. The results of the last two rounds were:

Semi-finals—Drs. J. Adamson and W. L. Mann defeated Drs. S. W. Prowse and A. B. Alexander.

Drs. L. T. Ainley and W. A. Groves defeated Drs. W. E. Montgomery and W. R. Riddell.

Final—Drs. J. D. Adamson and W. L. Mann defeated Drs. L. T. Ainley and W. A. Groves.

Mr. F. Barnet, of the Bank of Montreal, defeated Dr. J. D. Adamson in the finals of the club championship, Southwood (Winnipeg), Club, on the sixteenth green by 4 and 2. Both players were handicapped owing to the course being in a soft and wet condition. A good brand of golf was played and the new champion was extended to win. Barnet was for many years one of the leading players of the Norwood Club and only lately joined the Southwood.

\* \* \*

Mr. Matt. Thompson, of Winnipeg, again won the club championship of the Elmhurst Golf Links, when he defeated J. W. Thompson in the final. The margin was three up and one to play, the match being over the thirty-six hole route. Although the result was fairly close in a game of this

The ladies of the St. Charles Country Club, Winnipeg, met this month and elected the members of their committee for the coming year. They are: Mrs. Douglas Laird, Mrs. George W. Northwood, Mrs. Athol McBean, Mrs. K. C. Allen, Mrs. William Russell, Mrs. R. G. Rogers and Mrs. E. C. Ryan. The prizes for the various ladies' events in the golfing competitions which have been held during the season were presented as follows: Medal handicap, Mrs. Thaker; Fletcher Trophy, Mrs. H. J. Symington; club competition, Mrs. H. C. Balfour; tombstone competition, Mrs. DesBrisay; two-ball foursome, Mrs. Pentland and Mrs. H. J. Jaffray; team

match, St. Charles, won by Mrs. Bearisto; medal handicap, Mrs. Athol McBean; Birks Cup, Mrs. H. T. Jaffray; one-club competition, Mrs. Turnbull; blind hole competition, Mrs. Hart; grandmother's competition, Mrs. J. R. Jones; bronze competition, Mrs. W. B. Lawson and Mrs. Turnbull. The afternoon was brought to a close by the serving of tea. Mrs. T. G. Mathers, Mrs. William Robinson and Mrs. R. H. Baird presiding over the tea cups.

Mr. R. R. Dobell will hold the title of club champion of the Pine Ridge Golf Club, Winnipeg, for the ensuing year, as a result of a very close match in the final recently against E. C. Allen. The latter, while probably favoured to win, failed to produce the golf he is capable of, and the steady play of Dobell was enough to give him the winning margin of two up on the thirty-sixth green. Dobell won through

his more accurate short game. His short approaches were deadly, and his putting was also of a high standard throughout. Allen experienced an off day with his irons.

Word comes from St. Andrews that the authorities of the Royal and Ancient are not all favourable to the new ball proposed by the United States Golf Association. They maintain that the weight and size suggested, 1.55 and 1.68, virtually will make no difference in the carry of the present 1.62 ball. The Britishers are still apparently firm in the stand they have taken for even a larger and lighter ball—in other words the "floater," which is only 1.44 in weight and 1.70 in diameter.

P. Cooper, assistant to A. Lindfield at Weston, out playing with Mr. F. T. Smythe, on October 10th negotiated the difficult 390 yard 14th hole in an "eagle" 2. He turned the trick with a fine drive and perfect jigger shot.

Mr. Frank Thompson, of Toronto, Amateur Champion of Canada, left for Winnipeg this week in the interest of the Niakwa Golf Club, Winnipeg, which course was laid out by the golfing firm of Stanley Thompson Co., Ltd., in which he is interested. He expects to spend a couple of weeks in the Western Capital and hopes to spare time from his golfing business to play over some of the principal Winnipeg courses. It was in Winnipeg, it will be remembered, that he first won the Canadian Amateur Championship in 1921, again annexing the title this year.

\* \* \*

Dr. W. J. Brown won the London Hunt and Country Club's golf championship October 16th in the final with Fred. James, the youthful devotee. Brown was four up and three to go at the close of the afternoon play. James, who is only 20, was two up in the first 18 holes played in the morning, but Brown's 78, just two more than par, in the afternoon, proved the undoing of

the youngster. James played brilliantly throughout and it was Brown's fours in the ninth, twelfth and thirteenth holes in the afternoon that caught him. The 27th hole saw Brown forge ahead. Brown came through a tough section of the draw, being called upon to eliminate Frank Gordon, last year's champion, and Alex. Calder, winner of the Highland Club title last week.

A despatch from London, October 15th:

"The second round of the Autumn women's foursome, a handicap tournament for the "eve" trophies, provided a thrill today, when Miss Joyce Wethered, leading British woman golfer, and her partner, Mrs. Olaf Hambro, last year's winners, were eliminated by Mrs. Kelway Bamber and Mrs. W. Neilson. The victors had a 12 handicap mark and won by 2 up and 1 to play. Miss Cecil Leitch and Miss Grant Suttie, playing one under scratch, were defeated 2 and 1 by Mrs. Hetherington and Mrs. McNair. Mrs. Dorothy Hurd, American golfer, with her partner, Miss D. R. Fowler, survived the first round yesterday. Mrs. Hurd and Miss Fowler went through the second round, but were eliminated in the third round by Miss Doris Chambers and Mrs. Allen MacBeth, 5 up and 4 to play."

A very interesting competition, organized by members of the Hoof and Horn Club, Winnipeg, was played at the Norwood Golf Club, there being close on 80 entries. There were as many prizes as there were competitors, as all those who competed had to present a prize, and in addition there were many special prizes of a valuable nature donated. Weather conditions were far from conducive to good scoring, as the course was very heavy from recent rains, and the temperature far from

summery. W. M. Sinclair looked after the good name of the Hoof and Horn Club by bringing in the best net score of 87-15=72. His gross score was excellent under the conditions. J. H. Lovett and R. Y. Kilvert won the other special prizes for low net scores with 73. F. F. Tribe had the best gross score of 80, Ian Woolley being next with 81. Frank Chisholm won the prize for the hidden holes, while R. Y. Kilvert and Dr. S. B. Walker also got into the special prize list by winning the low net prize for the first and second nine holes respectively.

Ladies of the Toronto Golf Club concluded their season's fixtures with the final match of the club championship, and their fall field day. In the first flight of the championship, Miss Ada Mackenzie defeated Mrs. Whittington, and in the second flight Miss Margaret Walsh defeated Mrs. Boyd Magee. In addition to the driving, approaching

and putting contests, a medal round was held, which was won by Mrs. Hume Wrong, whose gross score was 91.

Eric Bannister, pro of the St. Charles Golf Club, Winnipeg, Oct. 7th, made a new record for the recently lengthened course—a 68. Herewith this fine card:

Out . . . 4,3,3, 4,4,3, 4,4,3=32

In . . . . 3,3,5, 5,4,3, 4,4,5=36=68

The par at St. Charles is 37 out and 37 in for a 74, so Bannister cut off six strokes. The only mistake he made was mussing up a putt on the 18th green of a yard for a 67. Particularly finely played holes were No. 3, 466 yards in an "eagle" 3, and No. 14, 57 yards, in a "birdie" 4.

Miss Helen Baker won the London Hunt and Country Club golf championship this month when she defeated Miss Marion Back three up and two to go, entitling her to the trophy, which will be presented by President Mrs. Ronald Harris. Miss Helen has been looked upon for the past two or three seasons as one of the best players in Western Ontario.

The Junior Championship of the Chedoke Civic Golf Club was held on Saturday, October 4th, and a good-sized field of the younger members of this flourishing community club entered for the match, and a stirring contest resulted. It was won by Norman Goddard with the very creditable score of 85, his brother, T. Harry, being only one stroke away, and Nicol Thompson, Jr., and John Woodcroft tied for third place with 89.

The winner, who is only 18 years of age, has been very prominent in nearly all of the club matches this year, driving a very long ball and following this up with splendid iron play. Only recently he won the men's driving contest with a total of 676 yards for three drives, one of which, striking in the upper branches of a tree over two hundred yards away, costing considerable distance. There are a number of very promising young players in the Chedoke Club who will undoubtedly

be heard from in a golfing way in the very near future.

In the want advertising columns of this issue will be found an advertisement for a young man as a traveller for a golfing firm. This firm is a very large and representative one and the position means a first class opening for an energetic young golfer.

On Sept. 20th Mr. Robt. Abbott, Mgr. Raybestos Co., Ltd., playing in a match for the Club Championship against Mr. G. A. MacDonald of the Quaker Oats Co., Ltd., broke the Peterborough course record for 18 holes formerly held jointly by the club professional, Hugh Mason, and Mr. Stanley Thompson, who have both played the course in 70. Mr. Abbott's score was 69 made up as follows:

Out . . . . . 453 543 444—36

In . . . . . 453 432 444—33

..Hugh Mason's former score was 34-36 and Mr. Stanley Thompson's 33-37. Par for the course is 72.

The team of the vice-president, Dr. L. J. Austin, defeated the president's, Mr. T. J. Rigney, team in the annual match at the Catarauqui Golf and Country Club, Kingston, by the narrow margin of 13 to 12. That one point cost the losers a dinner which followed the match. Captain Westmoreland, who headed the vice-president's team made the first 9 holes in par which is the amateur record of the course.

Members of the Beaconsfield Golf Club wound up a decidedly successful season, when the finals in the club championship and other competitions were held. This season has been an especially busy one for all Montreal clubs and Beaconsfield has had more than its share of tournaments and inter-club games. All in all the season just closing has been one of Beaconsfield's most enjoyable. The feature play of the day was the final in the club championship when D. C. Ritchie played J. N. Cornish in the final of this thirty-six hole competition. Going out under ideal weather conditions, both

played consistently sound golf in the morning, Mr. Cornish arriving back for luncheon one up on his rival. In the afternoon Mr. Ritchie played a sterling game, while Mr. Cornish seemed decidedly off form. The match ended in favor of D. C. Ritchie by a score of six and five. Results in other club competitions played are as follows: J. A. M. Robertson defeated G. R. McCall, one up in the final for the Shorey Cup.

R. C. Smith and son defeated Norman Macfarlane and son by one point in the final of the father and son competition.

Lawson Williams defeated J. J. Brunet on the nineteenth hole in the final of the class B championship.

A. R. Wilson defeated J. T. Mowatt by four and two in the final of the class C championship.

fortunately a very high wind bothered the contestants and prevented low scoring. There were 26 entrants, the first pair teeing off at 8.30. At noon, J. A. MacKay led the field with a card of 90, the ultimate champion being in third place with a 94. The second round witnessed a reversal of form and when the last couple was home the check up found Fred Villeaux the low man, J. A. MacKay runner up with R. White and A. A. Wolcott tied for third place. On the following Sunday Mr. Villeaux took unto himself further honours by annexing the Country Club championship. In writing the Canadian Golfer, Mr. C. G. Murphy, the President of the Municipal Club at Medicine Hat, pays tribute to the excellent manner in which the City Championship was conducted by the Connaught Committee.

A despatch from London makes the important announcement that in spite of numerous tests, the sub-committee appointed by the R. and A. have yet to discover a ball that will "restore the balance between the length of the holes and the power of the ball."
